its registration fees by 18% from October 2019; considers that this move is effectively an increased tax on practicing, as those who are regulated by the HCPC must pay this annual fee to continue doing their jobs; understands that this affects a wide range of staff working in 15 health and care professions across the UK, including paramedics, occupation therapists, operating department practitioners, physiotherapists, radiographers, dieticians, chiropodists, podiatrists, orthoptists, clinical scientists and speech and language therapists; believes with regret that would mean that fees will have risen by 40% since 2014, outstripping inflation and the smaller pay increases that health and care staff have had across this period; considers that such an increase is excessive and unreasonable; expresses its concern about what it sees as the lack of public scrutiny regarding this, and calls on the HCPC to reconsider this plan as a matter of urgency.

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
