- \*...\* around a section of text indicates changes to previously published material

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

### Other new and altered motions and amendments

**\*[S5M-22306](#) Emma Harper: Concerning Marine Accident Investigation Branch Findings—** That the Parliament notes with extreme concern the findings of a report carried out by the UK Marine Accident Investigation Branch (MAIB) into a close-quarters' incident between the roll-on/roll-off Stena Superfast VII ferry and a Royal Navy submarine in the North Channel between Cairnryan and Northern Ireland on 6 November 2018; notes that the report, which was published on 16 July 2020, found that, on 6 November 2018, the lookout officer on board the ferry spotted a submarine's periscope close ahead and alerted the Officer of the Watch, who took immediate and effective action, turning the ferry to avoid a genuine risk of collision with the submerged submarine; notes that the report concluded that this incident occurred because the submarine's control room team had underestimated the ferry's speed and overestimated its range, resulting in safety-critical decisions being made based on inaccurate information; understands that, despite a significant and life-threatening collision not taking place on this particular occasion, this is the third occasion over a four-year period in which a Royal Navy dived-submarine and surface vessel have either come into contact or have been at immediate risk of doing so; agrees with the MAIB that these incidents are a significant cause for concern and joins it in calling for an independent review of the actions that have been taken by the Royal Navy both pre- and post- the November 2018 incident, to ensure that such occurrences are avoided in future, and agrees with the position of the Scottish Government that weapons of mass destruction, including nuclear weapons, have no place in Scotland and that these weapons pose a significant and unnecessary risk to the safety of the people of Scotland and the wider international community.

**\*[S5M-22305](#) Ross Greer: Eaglesham and Waterfoot Self Isolation Helping Hands—** That the Parliament congratulates Eaglesham and Waterfoot Self Isolation Helping Hands on creating a local volunteer network to support people stuck at home due to COVID-19; understands that volunteers were sought, introduction cards were distributed and each volunteer was assigned an area to support; notes that donations have been forthcoming over time and that flowers and mindings have been sent to people in the area experiencing isolation or bereavement to help lift their spirits; thanks all of the volunteers, and wishes them all the best for the remainder of their project.

**\*[S5M-22304](#) Ross Greer: Eaglesham Street Library**—That the Parliament congratulates Eaglesham Street Library on setting up an independent library on the street all day on Fridays and Saturdays outside Eaglesham's public library while it is closed due to COVID-19; notes that the street library has been donated over 300 books, DVDs and video games by local people, and that these are packaged, sanitised and quarantined after each loan, in line with public health guidance; understands that the library also offers deliveries by request to people who are sheltering at home; believes that this is an excellent example of a community project supporting residents through the challenges of the pandemic, and wishes the library and all those who have supported it all the best for the remainder of the project.

**\*[S5M-22303](#) Alex Cole-Hamilton: Tackling Mental Health Stigma in the BAME Community**—That the Parliament considers that the BAME community faces vast inequalities regarding mental health; further considers that members of the BAME community often face multi-layered levels of discrimination that not only exacerbates mental health problems but can make it harder to seek assistance; condemns all forms of racial discrimination and inequality; welcomes the work of charities such as See Me, and acknowledges that the charity seeks to end mental health discrimination through raising awareness and offering support to victims of mental health discrimination.

**\*[S5M-22302](#) Emma Harper: Dumfries and Galloway Burns Association 75th Brow Well Gathering Goes Virtual**—That the Parliament congratulates the Dumfries and Galloway Burns Association (DGBA) on finding an innovative video message solution to mark the 75th anniversary of the annual club gathering at the Brow Well on the Solway Coast to lay a wreath in commemoration of the death of the National Bard, Robert Burns, on 21 July 1796; recognises that, this year, the newly-appointed President, Fiona Evans, and other club presidents, members, friends, Doonhamers and dignitaries participated in a group recitation, recording themselves reciting lines of the Bards' poem, *Man Was Made to Mourn*, which was written in 1784; welcomes the eulogy by Bill Nolan, immediate Past President of the Robert Burns World Federation, and the Brow Well oration by Professor Gerry Carruthers, who is the Francis Hutchison Chair of Scottish Literature at the University of Glasgow; notes that the Reverend Gerald Moule from Ruthwell Kirk will present a prayer in memory of the Bard, and that Burns Howff Club piper, Callum Watson, will play a lament; further notes that this will be viewable via the YouTube channel, DGBA Burns Association, from 22 July, which was the proposed day of the annual ceremony for 2020; acknowledges that the ceremony has not been able to take place due to the social distancing restrictions in place because of COVID-19; congratulates everyone who participated in the virtual ceremony for 2020, and wishes everyone well in advance of the event in 2021, which will mark 225 years since the death of Robert Burns. ## Progress of Legislation

**A list of all Bills in progress can be accessed via the Scottish Parliament website at:**

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.
