Motions for Debate

***S6M-02618 Keith Brown: Police, Crime, Sentencing and Courts Bill - UK Legislation—**That the Parliament agrees that the relevant provisions of the Police, Crime, Sentencing and Courts Bill, introduced in the House of Commons on 9 March 2021, relating to the power to extract information from digital devices of witnesses, victims and others, so far as these matters fall within the legislative competence of the Scottish Parliament, should be considered by the UK Parliament.

***S6M-02600 Jackson Carlaw: Holocaust Memorial Day to be Marked on 27 January 2022**—That the Parliament reflects on the horrors of the Holocaust; believes that it is important to impart the lessons of this despicable event to each generation so that everyone is instilled with an ethos of tolerance and respect for all, irrespective of background; recognises that the Holocaust was the systematic attempt to murder all Jewish people living in Europe from 1941 to 1945; acknowledges that the Holocaust resulted in 6 million Jewish men, women and children being murdered in concentration and extermination camps and in ghettos and mass shootings; notes that Holocaust Memorial Day will take place on 27 January 2022 and that its theme will be “One Day”; understands that this theme, which can be interpreted in many different ways, has been chosen with the general aim that for the One Day of 27 January, people will come together to learn about and reflect on the horrors of the Holocaust and other genocides that took place in the years following 1945, in Cambodia, Rwanda, Bosnia and Darfur; further understands that underpinning the theme is the hope that, by educating others about past genocides, it will be possible to look forward to a future One Day where there is no genocide; agrees that the Holocaust is an incredibly dark chapter in human history and that the Memorial Day held on 27 January is an important opportunity to reinforce the necessity of striving to ensure that One Day, genocides will become a thing of the past.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
