S6M-00165 Kate Forbes: Economic Recovery—That the Parliament recognises the significant and ongoing impact of COVID-19 restrictions on the Scottish economy; acknowledges the economic and financial hardship faced by businesses, communities and individuals due to efforts to suppress the virus; agrees on the urgent need to create the conditions for a sustainable economic recovery that delivers fairer and greater prosperity in Scotland across all regions and sectors; recognises that a thriving economy, with secure and meaningful employment opportunities, has an impact on long-term health and social outcomes; agrees that economic recovery must be a national endeavour supported by the collective action of public, private and third sectors, and calls for cross-party collaboration to achieve this.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
