Members' Business motions that have not achieved cross party support

***[S6M-00070](#) Bob Doris: MND Scotland 40th Anniversary**—That the Parliament notes the 40th anniversary of MND Scotland, which was founded by John MacLeod in 1981 following his MND diagnosis; congratulates MND Scotland on its campaigning achievements and legislative changes agreed in the Parliament that have improved the lives of people with MND, including the late Gordon Aikman's campaign to double the number of MND specialist nurses, the statutory provision of augmentative and alternative communication for people who have lost their voice, and, most recently, the effective fast-tracking of terminally ill people for Scottish social security benefits; notes the belief that there is still more to do in the Parliament, including the establishment of a national care service and the prioritisation of accessible housing, and further notes the view that Members should work together to continue this progress and help find a cure for this devastating terminal illness.

***[S6M-00058](#) Jim Fairlie: Impact on Scottish Agriculture of Tariff-free Trade Deals**—That the Parliament recognises that agriculture is a vital part of Scotland's economy, including in the Perthshire South and Kinross-shire constituency; believes that it underpins the food and drink sector and has a huge role to play in achieving the country's climate change targets; considers that there might be potential for hugely-damaging consequences to the most remote rural communities from any tariff-free trade with major agricultural producer nations, and notes the view that, in its pursuit of trade deals, the UK Government must take due cognisance of the vulnerability of Scotland's agriculture sectors.

***[S6M-00067](#) Collette Stevenson: Retirement of Denis and Cathy Curran**—That the Parliament wishes Denis Curran MBE and his wife, Cathie, all the best for the future as they plan to retire from the Loaves and Fishes Foodbank, in which they have been involved for almost 30 years; applauds their hard work and dedication as they have helped thousands of hungry families over

the years; notes that their last attempt at retiring some four years ago was unsuccessful as they had a change of heart and felt they could not leave the charity behind despite their poor health, and wishes them both a long and happy retirement with the hope that, one day, their dream will be realised and there will no longer be a need for foodbanks.

***S6M-00066 Rachael Hamilton: Improving Digital Skills to Boost Scottish Productivity—**That the Parliament acknowledges a new report by FutureDotNow, which states that productivity and commercial success is being hindered by 17.1 million people lacking digital skills; understands that FutureDotNow is a campaign group of large British employers; notes that the group, whose members include BT, Lloyds Banking Group, Marks & Spencer and Accenture, said the issue had been "overlooked and needed addressing urgently"; understands that only 23% of employees report having any digital skills training from employers; further understands that Scotland's productivity has fallen further behind other parts of the UK and overseas competitors in 10 out of 15 key indicators, according to a recent CBI/KPMG report, and urges the Scottish Government to adopt a new strategy for improving digital skills among the Scottish workforce and offer new digital training opportunities to help companies innovate as Scotland recovers from the COVID-19 pandemic. **R**

***S6M-00065 Murdo Fraser: Pitlochry Festival Theatre's 70th Anniversary—**That the Parliament congratulates the Pitlochry Festival Theatre, which is celebrating its 70th anniversary; notes that the theatre first opened on 19 May 1951, with the British premiere of Maxwell Anderson's *Mary of Scotland*; further notes that the theatre went on to attract around 100,000 people each year and that it plans to build a second performance space as it looks to the future, and wishes Pitlochry Festival Theatre all the best with its plans.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
