**\*S6M-00110 James Dornan: Ending the Illegal Occupation of Palestine**—That the Parliament welcomes the ceasefire agreed between Israel and Hamas on 21 May 2021; condemns all loss of innocent life in Gaza, the Occupied Palestinian Territories and Israel; notes the view that the international community must seek to address the root causes of the conflict by calling for an end to the occupation of Palestine, the end to the expansion of illegal settlements, the end of the blockade of Gaza and reversing what it sees as the systemic erosion of the rights of the Palestinian people; recognises that thousands of people in Scotland, including from Glasgow Cathcart, have taken to the streets to protest the bombardment of Gaza, which it considers to be the world's largest man-made prison; notes calls for Israel to fully participate in the investigation by the International Criminal Court into possible war crimes, and acknowledges the view that that peace talks based on a two-state solution will resume as a matter of urgency

**\*S6M-00108 Colin Smyth: The Proposed Closure of the Savings Bank Museum in Ruthwell by the TSB**—That the Parliament condemns the proposal by the TSB to close the Savings Bank Museum in Ruthwell, Dumfriesshire, and move the historic artefacts to its Head Office in Edinburgh; notes that the museum was the home of the original Ruthwell Parish Bank, which was opened by Dr Henry Duncan in 1810, when parishioners were paid interest on their modest savings; recognises that Dr Duncan persuaded the Earl of Mansfield to donate the cottage to the Friendly Society for the benefit of the community and that it is where Dr Duncan distributed food to the parishioners before establishing and running from it what is recognised as the world's first savings bank; notes that the museum houses a historic collection of home savings boxes, coins and bank notes from many parts of the world, a collection of books on the worldwide spread of savings banks and important archives on the history of these banks; believes that the museum plays an integral role, not only in marking the history of the savings bank, but in celebrating the life of Dr Duncan, who was born at Lochrutton new Dumfries in 1774 and ordained as the Minister of Ruthwell Church in 1799, serving the community until his death in 1846, and notes calls urging the TSB to re-consider its plans and work with the community to retain what it sees as this important museum and all of its historic artefacts in the Ruthwell community.

**\*[S6M-00109](#) Kenneth Gibson: UK Government Suspends Vital Support for Treating**

**Neglected Tropical Diseases** —That the Parliament notes with concern the news that hundreds of millions of medicines doses will reportedly go to waste in the world's poorest countries, following a 90% cut in aid from the UK Government to treat neglected tropical diseases; understands that this is part of a wider foreign aid cut by the UK Government from 0.7% to 0.5% of gross national income, a £4 billion cut, which it considers to break Conservative Party manifesto commitments; expresses its deep concern that 770 million doses, which would deliver 250 million treatments, will reportedly not now proceed as planned, after most of the necessary funding was suspended as a result of these cuts; further understands that a further 180,000 vital disability-preventing surgical operations will not go ahead, and that the budget for organisations working on neglected tropical diseases has been reduced from £167 million in 2020-2021 to just £17 million for this financial year; believes that the UK Government should not cut its aid budget during a global pandemic and that, if it does, as a minimum it has a duty to reduce or end aid programmes responsibly and with appropriate notice, and calls on the UK Government to reverse what it considers to be devastating cuts and deliver on its international commitments.

**Premiership**—That the Parliament congratulates Dundee Football Club on its victory in the Scottish Premiership play-off final against Kilmarnock; recognises that Kilmarnock's relegation follows 28 successive seasons in the top-flight of Scottish football and offers its commiserations to the club and its supporters; applauds the Dundee FC fans who backed the club during difficult times, with 500 supporters attending the first leg at Dens Park; congratulates James McPake on his team's success and promotion, and wishes the club well for the forthcoming season in the Scottish Premiership.

**\*S6M-00103 Emma Harper: Save the Savings Bank Museum in Ruthwell** —That the Parliament expresses concern over the decision by TSB to close the Savings Bank Museum in Ruthwell, Dumfries and Galloway, and to move the collection from the museum to the TSB Headquarters in Edinburgh; notes that in 1810, Dr. Henry Duncan opened the world's first savings bank in Ruthwell, based on business principles and paying interest on its investors' modest savings, and that the original Ruthwell Parish Bank is now the home of the Savings Bank Museum, which TSB acquired in 1950 for the cost of £1; understands that the eighteenth century building houses a collection of early home savings boxes, coins and bank notes from many parts of the world, that there are books on the worldwide spread of savings banks and that its modest but important archives include documents and letters on the history of savings banks; believes that the Ruthwell Savings Bank is a valuable asset to Dumfries and Galloway's residents and visitors, and that moving the collection to Edinburgh would both be detrimental to Ruthwell, and to the wider Dumfries and Galloway, and would rob the area of a vital asset that places it on the map as the world's home of the savings bank, and calls on TSB to reverse its decision to close the bank and to work with the tourism sector in Dumfries and Galloway to better advertise the museum, to allow it to continue to remain open as a museum of historical importance with significant pride of place.

**\*S6M-00102 Pam Duncan-Glancy: Solidarity with the Workers of the Tollcross McVitie's Factory** —That the Parliament expresses support for, and stands in solidarity with, the 480 employees of the McVitie's Factory in Tollcross, Glasgow, who face unemployment should the plans of Pladis Global to shut the factory happen; recognises the consistent hard work and resilience of the workforce in doing everything that they can to support the work of the factory and avoid closure, including by agreeing to changes in employment conditions and turning up throughout the COVID-19 pandemic as key workers; extends solidarity to GMB Scotland and Unite the Union for what it sees as their vital work to protect these jobs; believes that job insecurity is having a severe impact on the mental health and wellbeing of the employees and their families

and that the factory's closure would make this worse; recognises the negative consequences that this potential mass job-loss would accrue, not only for the employees but on the wider community in the east end of Glasgow and beyond; pays tribute to Andrew (Andy) Millar, the employee who sadly took his own life recently, and sends its condolences to Andy's family, friends and colleagues.

**\*S6M-00101 Fulton MacGregor: Brodie Young and his Coach, James McMenemy, of Airdrie Harriers Athletics Club**—That the Parliament applauds Brodie Young, who is from Chryston, and his coach, James McMenemy, of Airdrie Harriers Athletics Club; congratulates Brodie on being selected to represent the Great Britain & Northern Ireland U20s in the Loughborough International that took place on 23 May 2021; understands that he was selected for the 4x400m relay; commends Brodie and his teammates on finishing in second place with a time of 3:09.68; notes that their time was less than three seconds away from the current 2021 U20 4x400m record, and wishes Brodie, James, and their teammates the very best of luck for the future.

**\*S6M-00098 Rhoda Grant: Youth Highland's Where's Your Head At? Book Launch**—That the Parliament congratulates Youth Highland on the online launch event for the book, *Where's Your Head At?*, which shares testimonies and artwork of young people in a testing time; notes the words of the Children and Young People's Commissioner, Bruce Adamson, who said at the event that mental health and poverty are the biggest issues facing young people since the COVID-19 pandemic struck; recognises that the Commissioner has deemed the book as a really helpful human rights tool; encourages young people to continue to speak on issues affecting them and supports the view expressed that the pandemic, although challenging, provides a clean slate to improve support services for young people and not to return to old systems and processes; considers the profound statement that "websites can't listen" to be a lynch-pin in creating better physical services for young people; congratulates Youth Highland for providing the forum for young people's voices to be heard, and wishes it, and its service users, well in continuing to evolve to ensure the views and opinions of young people are heard by decision makers.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
