- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Supported by: Bill Kidd*, Kenneth Gibson*, Christine Grahame*, Colin Beattie*, Stephanie Callaghan*, Elena Whitham*

***S6M-02027 Katy Clark: Glasgow City Council Cleansing Workers**—That the Parliament notes that members of Glasgow City Council's cleansing department undertook strike action during the first week of November 2021; understands that these workers have suffered a major drop in living standards in recent years, due to what it sees as years of austerity and below-inflation pay increases; further understands that the joint trade union group is seeking a £2,000 flat rate pay increase for workers, or 6%, whichever is greater; understands that COSLA proposed a pay rise of 5.89% for the lowest paid staff; believes that the use of what it considers to be anti-trade union legislation by Glasgow City Council, in a reported attempt to block strike action in the Court of Session, has led to a deterioration in industrial relations, and urges the Scottish Government to do all it can to resolve this dispute, and ensure local government workers are given a fair and decent pay rise.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
