followed by Members' Business — S6M-02902 Katy Clark: Keeping CalMac Public and Publicly-owned Ferry Services

[S6M-02902](#) Katy Clark: Keeping CalMac Public and Publicly-owned Ferry Services—That the Parliament notes the view that lifeline ferry services should be in the public sector; is alarmed by

the Scottish Government's reported contract with Ernst & Young to review governance of Scotland's public ferry contracts, including Clyde and Hebrides Ferry Services (CHFS); understands that the current operator, CalMac Ferries, the entire fleet and the majority of harbours on the CHFS network are publicly owned, employing 1,600 people; considers that unbundling of CHFS routes would mean privatisation; is concerned at reports that the Scottish Government has reneged on the commitment it gave the RMT in 2017 to build the case for permanent in-house operation of the CHFS contract; agrees with the reported view of the RMT that the CHFS network lacks resilience and capacity due to vessel procurement failures and not due to the public ownership model; understands that the contract with the public sector operator, CalMac Ferries, ends in October 2024; further understands that CalMac staff have helped carry over 47 million passengers and 12 million cars in the last decade and that the Road Equivalent Tariff fares subsidy drove a 20% increase in passengers, pre-COVID-19 pandemic, and notes the calls on the Scottish Government to categorically rule out extending private ferry operations or privatisation of any routes in the CHFS contract and to commit to keeping CalMac Ferries public and expanding ferry capacity and resilience in the public sector.

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
