5:00 pm Decision Time

**followed by Members' Business
Debate on the subject of—**

[S6M-04703](#) **Bill Kidd: Making Scotland Hostile to Trafficking and a Safe Place for Ukrainian Refugees**—That the Parliament welcomes the launch of the Hope for Justice and anti-trafficking partners' website, Ukrainians Welcome, which is aimed at protecting refugees in the UK against modern slavery, and the Organization for Security and Co-operation in Europe's (OSCE) new recommendations on mitigating the risks of trafficking, following the crisis in Ukraine, as it considers refugees are particularly vulnerable to trafficking for sexual exploitation and other forms of modern slavery; understands that the Scottish Government has committed to criminalising sex buyers, addressing the reported impunity of sex buyers in exploiting vulnerable women and children, and, through criminalisation, making Scotland hostile to human traffickers; considers that Baroness Helena Kennedy QC's report on Misogyny and Criminal Justice in Scotland affirms the understanding of commercial sexual exploitation, including pornography, prostitution and trafficking, as "violence against women and girls"; recognises the OSCE's reported findings that internet searches for Ukrainian women for sale for sexual exploitation has increased by between 200% to 600% across multiple countries in Europe since the Ukrainian refugee crisis started, and that, in the UK, internet searches for Ukrainian women has increased by 669%, compared with March 2021; considers that the criminalisation of sex buyers in Scotland would tackle the demand that fosters trafficking and respond to Palermo protocol commitments; commends the efforts of

anti-trafficking organisations, such as International Justice Mission, which presented information to the Cross-Party Group on Human Trafficking on the work that it has been doing to prevent human trafficking occurring at the Romanian-Ukrainian border since the war in Ukraine started, and A21, which it understands is safely housing Ukrainian survivors of sex trafficking and runs trafficking awareness campaigns across Europe; considers that such examples show the success that is possible when authorities and charities work collaboratively to warn refugees of the signs of human traffickers and provide practical assistance to avoid refugees taking up unsafe offers of accommodation or transport; believes that vulnerability to trafficking increases when refugees are in transit or when financial resources reduce over time, and recognises what it sees as the invaluable work of individual sponsors, community groups and local organisations in welcoming refugees to Glasgow and the rest of Scotland, and ensuring that they are provided with the practical and emotional support needed to begin to find refuge and safety as they rebuild their lives.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
