### Members' Business motions that have not achieved cross party support

**\*[S6M-03646](#) Tess White: Improving the Disaster Response to Serious Weather Events**—That the Parliament recognises that parts of Scotland, and particularly the north east, have been seriously affected by adverse weather events such as Storms Arwen, Barra, Malik and Corrie, at the end of 2021 and early 2022, which tragically led to a loss of life; acknowledges that these weather events resulted in a loss of power for thousands of households, in some cases for a protracted period over a number of days, and that the water supply, telecoms, rail and road infrastructure were also compromised; notes the view that it is vital for all those involved to learn lessons from the disaster response to these storms and to make appropriate and prompt improvements to increase community resilience in future; further notes the six recommendations of the Scottish Government's Storm Arwen review, published in January 2022, and notes the calls on the Scottish Government to set out an action plan for the implementation and delivery of these recommendations ahead of the update in June 2022; considers that the communication of information during emergencies is particularly important and notes the view that more must be done in advance of serious weather warnings to notify communities how they can access up-to-date information when telecoms are down; pays tribute to those volunteers who mobilised following these storms to support vulnerable individuals, and those who became newly vulnerable as they lost power, telecoms and water supply in communities such as Fettercairn, Stonehaven and Glenbervie, and notes the calls for people who can to engage with the British Red Cross and other organisations about opportunities to volunteer in their communities as emergency responders alongside local partners.

**\*[S6M-03645](#) Katy Clark: Tackling Child Poverty and Destitution**—That the Parliament recognises the reported worsening cost of living crisis and the impact that this will have on what it sees as the already unacceptable levels of child poverty in Scotland, including in the West Scotland region; welcomes the report, *Tackling Child Poverty and Destitution*, by the Trussell Trust and Save the Children, and notes their recommendations on how child poverty and overall deep poverty can be tackled; further notes the view that the Scottish Child Payment should be doubled again to £40 in the current parliamentary session, and that an awareness campaign is needed to ensure that all of those who are eligible apply for the payment; notes the calls for the value of the Scottish Welfare Fund to be increased to allow it to respond to the reported cost of living crisis,

and further notes the view that a review is needed to eliminate regional variations in acceptance of applications to the fund and the value of grants paid out.

Supported by: Foysoil Choudhury\*, Monica Lennon\*

**\*[S6M-03631](#) Emma Roddick: LGBTQ+ People's Experiences of Alcohol Services in Scotland**—That the Parliament welcomes the publication of the report, *What are LGBTQ+ people's experiences of alcohol services in Scotland? A qualitative study of service users and service providers*, which was carried out by Prof Carol Emslie and colleagues at Glasgow Caledonian University, and funded by Scottish Health Action on Alcohol Problems (SHAAP); understands that the report highlights significant alcohol-related health inequalities experienced by LGBTQ+ people in Scotland, including in the Highlands and Islands region; further understands that people who identify as LGBTQ+ are more likely to experience problems with alcohol; considers that the central role of alcohol in the community, combined with barriers to accessing treatment and support, are the key areas that surfaced with regards to alcohol misuse; notes the calls for alcohol services to demonstrate appropriate inclusivity and diversity policies, LGBTQ+ training, and work towards the LGBT Charter; further notes the view that alcohol services need stronger links to mental health services, and notes the recommendations to policy makers that LGBTQ+ people should be considered in the forthcoming Alcohol Treatment Guidelines, that alcohol-free spaces for LGBTQ+ people should be supported, and that the Parliament should show leadership on LGBTQ+ issues to help tackle the stigma that people face.

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
