***S6M-06916 Clare Adamson: Inaugural Lanarkshire Recovery Cup**—That the Parliament recognises Lanarkshire Recovery Cup, which took place within Ravenscraig Sports Facility on the 21 November 2022; notes that NL Recovery Community and Phonenix Futures Scotland organised the event alongside Street Soccer, with the event funded by North Lanarkshire Alcohol and Drug Partnership; further notes that 10 organisations and over 70 players from across Scotland took part; believes that stigma is a major barrier for people struggling with an alcohol and drug problem and organisations who help support them, leaving many feeling judged, isolated, without treatment and support networks; further believes that stigma not only affects individuals but families and communities, and that people must challenge negative attitudes and language; applauds the work of the Recovery Communities across Scotland for their campaign to raise awareness and support for those contending with addictions; thanks Street Soccer along with official SFA referees, Cllr Cameron McManus and Marc Howard for ensuring sportsmanship throughout all the games, Alistair Taylor for representing the Scottish Parliament football team, McDonalds Airdrie for providing the water and fruit and David Gallagher from NL Recovery Community for an excellent event; believes that events like the Lanarkshire Recovery Cup can open doors for many to open up about their struggles, and wishes all the Recovery Networks across Scotland all the best for the future.

***S6M-06887 Jackie Baillie: Vale of Leven Hospital staff win Wounds UK Excellence**

Award—That the Scottish Parliament congratulates staff at the Vale of Leven Hospital for their innovative project to reduce the incidence of avoidable pressure ulcers due to what it sees as poor documentation and also the time spent recording duplicate information on patient care notes through the ABCD approach; notes that this won the Wounds UK Excellence Award at the recent Wounds UK conference in Harrogate; thanks those who developed the project, which was led by Heather Hodgson, Lead Nurse in Tissue Viability; understands that instead of registered nurses spending up to 45 minutes per shift on paperwork, this has been cut to just 10 minutes per shift allowing more time for direct patient care; further understands that the scheme has also reduced the incidence of pressure ulcers among patients, and notes that the method will now be rolled out across all NHS Greater Glasgow and Clyde sites due to its success.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
