Debate on the subject of—

[S6M-07514](#) Michael Marra: Final Report of the Independent Oversight and Assurance Group on Tayside's Mental Health Services—That the Parliament welcomes the publication of the final report from the Independent Oversight and Assurance Group on Tayside's Mental Health Services; understands that the report tracks progress against the 51 recommendations made by Dr David Strang in his report, *Trust and Respect*; recognises that the group has met with staff, third sector and community groups, patients and families while compiling the report; notes the view that progress has been made, including on changes of leadership and clarifying of roles; believes that the report also highlights key areas where recommendations have not seen sufficient action taken, including in the areas of strategic planning, staff appraisals, governance and public performance reporting; thanks the oversight group and all those who contributed to its work, and notes the calls for reassurances that outstanding recommendations will be enacted.
