- * before the number indicates publication for the first time
- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

***[S6M-09600](#) Russell Findlay: The 50th Anniversary of the Murder of Margaret McLaughlin**—That the Parliament recognises that 6 July 2023 will mark the 50th anniversary of the murder of Margaret McLaughlin in Carluke, Lanarkshire; notes that Margaret McLaughlin was aged 23 when she was murdered while walking from her home to Carluke train station; further notes that the murder investigation was reportedly led by Detective Chief Superintendent William Muncie; recognises that the police investigation resulted in the arrest of the Carluke resident, George Beattie, who was a teenager at the time; notes that George Beattie was convicted of Margaret McLaughlin's murder at the High Court in Glasgow in October 1973 and consequently spent around 15 years in prison; understands that George Beattie continues to deny his guilt and that his conviction has been the subject of a long-running campaign alleging it to be a miscarriage of justice; notes that the campaign was covered in the BBC documentary series, *Rough Justice*, which was produced by the journalist, Peter Hill; further notes campaigners' concerns about the integrity of the police investigation; notes that those concerns were referenced in a speech made to the House of Commons in March 1993 by Jimmy Hood, who was then an MP; understands that the criminologist, Professor David Wilson, who is originally from Carluke, wrote a book about the murder of Margaret McLaughlin; notes that the book, *Signs of Murder*, which was published in July 2020, reportedly identifies a "more likely suspect", who has since been named publicly as Les Jardine; understands that, in 2020, Margaret McLaughlin's then fiancé, Bob Alexander, spoke to the media for the first time since her murder; notes that Bob Alexander reportedly believes that George Beattie is innocent of Margaret McLaughlin's murder and that he was "fitted up" by the police; understands that George Beattie believes that there is no available route to challenge his murder conviction, and notes the view that Police Scotland and the Crown Office should be encouraged to conduct a full review of the murder of Margaret McLaughlin.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
