5:00 pm Decision Time

followed by Members' Business  
Debate on the subject of—

**S6M-07215 John Mason: Promoting the Benefits of Camping**—That the Parliament welcomes the *Outjoyment Report* conducted by Liverpool John Moores University and Sheffield Hallam University; acknowledges that the report, commissioned by The Camping and Caravanning Club, surveyed nearly 11,000 people to assess their attitudes toward the benefits of camping; recognises that the report found that 97% of campers said happiness was their top motivator for going camping, while 48% of campers reported feeling happy almost every day, compared with 35% of non-campers; further recognises that the report found that 93% of people go camping to enjoy being in nature, while 93% of campers value camping for the benefits it has for their health and wellbeing; notes the reported concerns raised by communities around Scotland that short-term lets, such as Airbnb, are changing the make-up of communities and their economies; reflects that, given these considerations, along with what it sees as the need to provide incentives to support local economies following the COVID-19 pandemic, the promotion of camping and its benefits are important; believes that promoting camping is also important in cultivating, especially in children, an appreciation for the environment and a passion to protect it; notes the belief that citizens across Scotland, including in the Glasgow Shettleston constituency, should consider the benefits of camping breaks for both their own health and Scotland's local economy, and thanks Liverpool John Moores University and Sheffield Hallam University for what it considers this insightful report.

**\*S6M-08199 Murdo Fraser: Dewars Centre in Perth**—That the Parliament notes the concerns raised by Scottish Curling that the potential closure of the Dewars Centre, in Perth, would be the death knell of a legacy of curling in Perthshire dating back decades; notes the belief that, if this proposal goes ahead, it would mean that the town and county with which curling is most closely associated has made a choice to de-prioritise the success of legends such as Rhona Howie, Eve Muirhead, David Murdoch and numerous others, all of whom have a strong connection between Perth and the Dewars Centre and their Olympic and World Championships successes; further notes that the Dewars Centre has a history of supporting grassroots curling, and the potential to enable critical growth and to play a central role in tackling isolation, reducing barriers to inequality, and ensuring that inclusion and a sense of community are at the heart of sport in Perth, and notes the calls for Live Active Leisure and Perth and Kinross Council to reach a decision that would enable the Dewars Centre to be retained.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
