### Motions for Debate

**\*[S6M-08865](#) Angela Constance: Transforming Justice in Scotland – Person-centred and Trauma-informed Approaches for Victims and Witnesses—**That the Parliament notes the publication of *Trauma Informed Justice: A Knowledge and Skills Framework for Working with Victims and Witnesses*, which identifies six key aims of a trauma-informed justice system; recognises that victims and survivors of crime and witnesses can be affected by trauma in many ways, and that there is, therefore, an imperative for the criminal justice system to be designed to be person-centred and trauma-informed, so that victims, survivors and witnesses are supported to recover from the harm and trauma and possible re-traumatisation that they have experienced; recognises the critical importance of staff having a shared understanding about the impact of trauma, and the knowledge and skills to minimise re-traumatisation and support recovery, and notes the opportunity for the Parliament to further consider these issues through its scrutiny of the Victims, Witnesses, and Justice Reform (Scotland) Bill, which puts victims and witnesses at the heart of the justice system.

**\*[S6M-08864](#) Humza Yousaf: The Coronation of King Charles III and The Queen—**That the Parliament congratulates Their Majesties The King and The Queen on the occasion of Their Coronation; expresses its gratitude for Their Majesties' public service to Scotland, and affirms the deep respect that is held for Their Majesties in Scotland.

**\*[S6M-08738](#) Jackie Dunbar: Biggest Midnight Runway Run Set to Return to Aberdeen International Airport**—That the Parliament welcomes the return of the Biggest Midnight Runway Run, which is set to take place in June 2023 at Aberdeen International Airport; notes that Aberdeen International Airport will team up with CHC Helicopters to bring the Biggest Midnight Runway Run back to the city for a fourth year; understands that the 2022 event saw 300 runners raise over £40,000 for charity; notes that 400 runners will be given the opportunity to take part in a 4km route on the lit-up runway and set new records in order to raise as much money as possible; understands that Aberdeen International Airport's chosen charities, We Too! and Kayleigh's Wee Stars, are set to benefit from the proceeds, with CHC Helicopter also set to name a chosen charity, and wishes all participants good luck in what is set to be a great event.

**\*[S6M-08737](#) Pam Gosal: Cruise Loch Lomond Awarded Best Overall Loch Cruise in the UK**—That the Parliament congratulates Cruise Loch Lomond on winning the Best Overall Loch Cruise in the UK; notes that it received votes from over 10,000 tourists; further notes that the award was hosted by Irish tour operator, CIE Tours, which, it understands, recognises the quality of the UK's hotels and visitor attractions by giving Awards of Excellence to those who have received a customer satisfaction rating of over 90% over the previous year; appreciates the national park authorities and the work of operators, who, it believes, provide outstanding service to attract tourists from around the world, and wishes the company every success for the year ahead.

**\*[S6M-08732](#) Kaukab Stewart: Congratulating the University of Glasgow's Top-up Programme Success**—That the Parliament congratulates the University of Glasgow's widening participation team on the success of its Top-up Programme, which, it understands, was highlighted in a major study published in the Journal of Widening Participation and Lifelong Learning, using 16 years of entry data between 2001 and 2016; understands that the Top-up Programme works with around 100 secondary schools in the west of Scotland and is open to pupils who live in a Scottish Index of Multiple Deprivation (SIMD) decile one to four, are care experienced, estranged, a carer, are seeking asylum or have refugee status, helping to prepare pupils with key skills needed for successful study at university and allowing for the potential of an adjusted offer of entry upon successful completion; further understands that the study tracked students entering the University of Glasgow via the Top-up Programme and found that students who completed the programme performed better than their peers from the same schools who did not, and that they performed as well as, or better than, comparator entrants from more affluent backgrounds; considers that this study represents empirical evidence of the success of the widening participation agenda in ensuring young people from all backgrounds are given the opportunity to meet their full potential, and congratulates all of those who have successfully completed the programme since its inception.

**\*[S6M-08722](#) Alexander Stewart: International Day of the Midwife 2023**—That the Parliament acknowledges that in maternity units and through virtual events across the globe, midwives, colleagues, parents and relatives will be celebrating International Day of the Midwife on 5 May 2023; notes that the theme for 2023 will be "Together again: from evidence to reality"; understands that this time of celebration, which is supported by the Royal College of Midwives, both honours and pays homage to the efforts of midwives and their associations, as well as to action what it sees as critical evidence; believes that this includes findings presented by the State of the World's Midwifery (SoWMy) 2021 on the sexual, reproductive, maternal, newborn and adolescent health (SRMNAH) workforce from 194 countries, paving the way, it believes, towards meaningful change for the profession and the women and families it cares for; understands that on 5 May every year, since 1992, the International Confederation of Midwives (ICM) leads a day of global recognition and celebration of the work of midwives, which is observed by more than 50 nations and co-ordinated by the ICM, in partnership with its member organisations; considers that, in addition to all of this, over the past years during the COVID-19 pandemic, including lockdown, and thereafter, midwives, maternity support workers and student midwives have met extraordinary circumstances and risked their lives to provide excellent care to women and their families, and commends midwives right across the country for what it sees as the truly selfless way that they have been there for all communities throughout the pandemic and beyond.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
