Members' Business motions that have not achieved cross party support

***[S6M-11228](#) Colin Beattie: Holodomor Memorial Day 2023**—That the Parliament recognises that 23 November 2023 is the annual Holodomor Memorial Day; notes that 2022-23 marks the 90th anniversary of Holodomor; considers that Holodomor, literally meaning extermination by hunger, was a man-made and deliberate campaign of starvation and violence carried out by the Soviet regime that resulted in the death of millions of people in Ukraine; believes that Holodomor was caused by a deliberate policy of the Soviet regime, as a mass murder against the people of Ukraine; recognises that Holodomor Memorial Day commemorates all the victims of the Holodomor, and expresses its solidarity with the people in Ukraine who suffered in this tragedy, and in particular with the remaining survivors of the Holodomor and their families; pays its respects to those who died as a consequence of what are considered to be these crimes committed by the totalitarian Soviet regime; expresses deep concern that the 90th anniversary of the Holodomor coincides with Russia's ongoing war of aggression against Ukraine, which, it believes, involves a blatant violation of Ukraine's sovereignty and territorial integrity, coupled with what it sees as the aim to eradicate Ukraine as a nation-state and erode the identity and culture of its people; is aware of the longstanding relationship between Ukraine and Scotland, including the installation in 2017 of the Eternal Memory memorial stone on Calton Hill, Edinburgh, which was dedicated by the Ukrainian community in Scotland to commemorate the genocide by forced famine in Ukraine in 1932-33, and welcomes the formation of the Cross-Party Group on Ukraine within the Scottish Parliament, where Ukrainian interest groups in Scotland and elected officials come together to foster and strengthen the enduring relationship between Ukraine and Scotland. **R**

***[S6M-11224](#) Kaukab Stewart: Immediate Ceasefire in Gaza and Israel**—That the Parliament notes the calls for an immediate ceasefire in Gaza and Israel; further notes the condemnation of the loss of life in the most recent conflict, with around 1,400 people reportedly killed in a brutal terrorist attack in Israel on 7 October 2023 and more than 10,000 people reportedly killed in Gaza in the conflict since; deplores all violence in the region; notes the belief that fighting must stop in order to allow diplomatic discussions to take place that will safeguard innocent civilians; further notes the calls on the UK Government, including from communities in the Glasgow Kelvin constituency, to do its part in working with other UN nations to demand an end to deadly military action in Gaza and to bring to justice those responsible for the terror attacks suffered by Israel;

*[S6M-11188](#) **Michelle Thomson: Falkirk East Community Groups Benefit from Asda Foundation Grants**—That the Parliament welcomes the £970 awarded from Asda Foundation grants in the latest tranche of funding towards causes close to the local community, with the help of local community champions in the Grangemouth and Stenhousemuir stores; understands that the grants on offer through the Asda Foundation are one of the methods that Asda uses to demonstrate its commitment to the communities around its stores; notes that the criteria for the grants means that they are open to groups helping communities to tackle the cost of living crisis, and groups supporting children and young people; understands that Bo'ness Storehouse Foodbank SCIO was awarded £470 and that Warriors in the Community was awarded £500 to support what it sees as its important work; welcomes this funding from the Asda Foundation to support Bo'ness Storehouse Foodbank SCIO and Warriors in the Community, and wishes both groups well as they continue to positively impact their communities.

elderly and heard about what other hospitals across the UK were doing to keep patients' things in the one place; notes that the idea of the belonging box is to allow patients to have a dedicated box in which they can store their belongings, including important items like their glasses, hearing aids and dentures, all items that affect patients' senses such as their hearing, sight and taste, which are incredibly important to keep safe during their time in hospital; understands that, with the help of Elaine Morning, personal assistant to the Chief of Nursing, who sourced a local company to produce the boxes, Joanne managed to get the pilot up and running; commends Joanne for her dedication, and for undertaking extensive research in her own time while also obtaining her degree; wishes the pilot of the belonging boxes every success, and hopes to see the initiative rolled out to other hospital sites across Lanarkshire and in other NHS boards.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
