Members' Business motions that have not achieved cross party support

***[S6M-17249](#) Stuart McMillan: 60th Anniversary of the Scottish Law Commission**—That the Parliament congratulates all of the commissioners and staff of the Scottish Law Commission, past and present, on its 60th anniversary; notes that the Commission was established under the Law Commissions Act 1965, and that the Commission is Scotland's law reform body tasked with recommending reforms to simplify, modernise and improve Scots law; considers that outdated or complex laws can be inefficient, and do not serve the interests of the public or justice well; recognises that the Commission provides independent advice to the Scottish Government, often examining entire areas of law and making recommendations; notes that the Commission's work has led to a number of bills in the Scottish Parliament, including reforms abolishing feudal tenure and protecting adults incapable of managing their affairs; values the contribution of the Commission over the last 60 years, and notes that, since 2013, part of the Delegated Powers and Law Reform Committee's remit has been to scrutinise certain Scottish Law Commission Bills that comply with the Scottish Parliament's Standing Orders Rule 9.17A and the associated criteria determined by the Presiding Officer, with the Committee leading on four such bills so far in Session 6.

***[S6M-17216](#) Liam Kerr: Recognising RAAC in Council and Former Council Housing** —That the Parliament acknowledges the reported presence of reinforced autoclaved aerated concrete (RAAC) in council and former council housing in Aberdeen's Balnagask, Dundee, Monifieth and throughout Scotland; understands that, in Torry, around 150 of these properties are privately owned; expresses concern that the buy-back offers proposed by councils may value these properties at less than they were bought for; notes reports that the Scottish Government does not believe that it has a liability to compensate or financially assist affected homeowners; regrets what it sees as the attempt by the Scottish Government to divert responsibility, by reportedly trying to pin responsibility on the UK Government for this devolved matter; further regrets reports of the reluctance of the Minister for Housing to meet the Torry RAAC campaign group and that he has not met with other campaign groups, including those in Dundee, and notes calls on MSPs to utilise all available powers to explore solutions for affected homeowners, including initiating an urgent committee inquiry.

***S6M-17275 Willie Rennie: Fife Thistle AFC 30th Anniversary—**That the Parliament congratulates Fife Thistle AFC on its 30th anniversary, which the club is marking this season; further congratulates Colin Murray, who established the amateur football team and has been its manager ever since; commends Colin for the exceptional dedication that he has shown to the club, which has given opportunities to hundreds of young people to play football, many of whom have gone on to play at higher levels; understands that Colin manages the teams at their Saturday matches and leads two training sessions per week, in addition to investing his own money in the team to buy kit, rent pitches and training facilities, renovate changing rooms, and buy a lawnmower and minibus; further understands that Colin cuts the grass and lines the team's pitches and washes strips each week; notes that, under his management, Fife Thistle AFC has seen success, initially in the Sunday league and then in Saturday football, as it has progressed in the Kingdom of Fife leagues; welcomes the establishment of an over-35 team; recognises that Colin has also supported his players off the pitch to ensure that they have the opportunity to play; further welcomes Colin's role in leading the club's fundraising for three defibrillators, following one of the team's players having a heart attack; understands that one of these defibrillators will travel with the team on its away matches, one will be based permanently at the club's changing rooms in Balmullo, where it will be available for use by the local community, and a third will be installed in Crail, which is the home village of the player who had a heart attack; acknowledges the immense gratitude to Colin that has been expressed by current and former players of Fife Thistle AFC, and wishes them well in the events that they have organised to mark 30 years of the club and Colin's contribution to it.

***S6M-17274 Tim Eagle: Moray Pooch Becomes First to Scale all of Scotland's Summits—**That the Parliament congratulates Shona Marshall from Roseisle, Moray, and her Kerry Blue Terrier, Betty, on bagging all of Scotland's summits, as well as the highest peaks in England, Wales and Ireland; understands that Betty is the first dog known to have scaled all of Scotland's 282 Munros, 226 Munro Tops, 222 Corbetts, 231 Grahams and 141 Donalds, which is known as the "full house" challenge, and that this has reportedly been completed by fewer than one hundred people; understands that Shona and Betty began their climbs during the COVID-19 pandemic lockdown, and have raised almost £3,500 for the rehoming charity, Kerry Blue Rescue, and wishes Shona and Betty all the best as they embark on a second round of Munro bagging.

***[S6M-17221](#) Bill Kidd: International Workers' Memorial Day 2025**—That the Parliament notes that International Workers' Memorial Day 2025 will be marked on 28 April; understands that, on this day, people in Scotland join with people around the world in mourning the loss experienced by families and friends when someone fails to return from work, and notes, in particular, the contribution of Louise Adamson through her work with, and ongoing support for, Scottish Hazards and Families Against Corporate Killing (FACK) in raising awareness of the impact on workers and families of poor health and safety, and in remembering her brother Michael Adamson, who is one of the victims who tragically never came home, and her late mum, Pat Adamson.

***[S6M-17204](#) Katy Clark: Fenix Recycling Centre Fire**—That the Parliament extends its sympathies towards the residents of Kilwinning following the fire at the Fenix Recycling Centre on Byrehill Place, which started on 9 April 2025; acknowledges the fear, distress and disruption that this caused for many in the local community, as well as the significant mobilisation of fire appliances and specialist resources that the incident called for; notes with concern reports that this event occurred 366 days after a similar fire at the same site, which required a multi-agency response across several days; believes that the future of the site must be clarified and that any uncertainty surrounding its maintenance and adherence to guidelines should be addressed; considers that fires of electrical origin pose an increasing risk to public safety; believes that Scottish Fire and Rescue Service statistics indicate 26 fires across Scotland involving rechargeable batteries in 2024 compared with three in 2018, which is approximately equivalent to a 767% rise, and calls on the Scottish Government to review the safety of large-scale electrical and battery recycling plants, as well as how it plans to support fire services to respond to the evolving hazard landscape.

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
