The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Members' Business motions that have not achieved cross party support

***[S6M-17430](#) Karen Adam: Cross-Party Group Report on How to Reverse the Fall in the Number of Qualified Teachers of Deaf Children**—That the Parliament recognises the publication of the report of the Cross-Party Group on Deafness, *How do we reverse the fall in the number of Qualified Teachers of Deaf Children and Young People in Scotland?*; believes that qualified teachers of deaf children and young people are vital for enabling deaf children to reach their full potential, including in the Banffshire and Buchan Coast constituency; considers that the number of qualified teachers of deaf children has fallen dramatically in Scotland, by 37% since 2011; understands that there is currently no explicit right for any deaf child or parent to have access to a qualified teacher of the deaf; further understands that there is no salary increment with the relevant qualification, and understands that the reported declining number in qualified teachers coincides with a period where deaf attainment is below that of the hearing population. **R**

Other new and altered motions and amendments

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
