Debate on the subject of—

[S6M-19074](#) Clare Adamson: Pancreatic Cancer Awareness Month and World Pancreatic Cancer Day 2025—That the Parliament notes Pancreatic Cancer Awareness Month, which takes place every November, and World Pancreatic Cancer Day 2025, which falls on 20 November; believes that, for decades, pancreatic cancer has been left behind; understands that it receives just 3% of the UK cancer research budget; considers that an increase in long-term investment in such research could transform persistent low survival rates; notes the view that there is an urgent need to improve early diagnosis and outcomes for people affected by the condition; considers that extremely low survival rates in Scotland exist largely due to late-stage diagnosis and limited access to robust diagnostics and treatment resources; notes calls for further action to ensure that people at higher risk of cancer are identified earlier and consistently across the country; further notes the view that both the development of a centralised, nationwide case-finding programme is necessary to proactively identify high-risk people across multiple cancer types and that it is vital to ensure that the provisions of the Rare Cancers Bill are fully implemented, including the development of a national prospective observational cohort study for rare and less survivable cancers to support ongoing research; commends all of the charities and activist organisations, and their dedicated supporters, on what it sees as their relentless efforts to improve outcomes for people with this condition, and wishes everyone involved with Pancreatic Cancer Awareness Month and World Pancreatic Cancer Day every success in raising awareness of this devastating disease. **R**

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in *italics*.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.
