## Motions for debate

**\*[S6M-20654](#) Craig Hoy: Opposing the Scottish Government's Proposed Council Tax Rises—** That the Parliament notes with concern the ongoing consultation on council tax reform; further notes that central government funding has been reduced in real terms in this and previous Scottish Government budgets; acknowledges the cumulative pressure on households from rising council tax, the introduction of additional local charges, fees and levies, and the increasing likelihood of further council tax rises; recognises the damaging impact that funding reductions are having on frontline and statutory local authority services; expresses a lack of confidence that the current consultation will deliver fair or considered reform, given the Scottish Government's record of underfunding local government, and calls on the Scottish Government to withdraw the consultation and rule out proceeding with the proposed council tax reforms, including the plan to conduct a revaluation of every home in Scotland for council tax purposes, at a time when households are already struggling with rising bills.

**\*[S6M-20653](#) Murdo Fraser: Saving Scottish Hospitality—** That the Parliament recognises the pressures facing Scotland's hospitality sector; calls on the Scottish Government to postpone the forthcoming non-domestic rates revaluation until a comprehensive review of the valuation methodology has been completed, and further calls on the Scottish Government to provide 100% rates relief for all hospitality businesses with commercial property valued up to £100,000.

**\*[S6M-20646](#) Jenni Minto: Non-surgical Procedures and Functions of Medical Reviewers (Scotland) Bill—** That the Parliament agrees to the general principles of the Non-surgical Procedures and Functions of Medical Reviewers (Scotland) Bill.

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 2.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
