Members' Business motions that have achieved cross party support

***[S6M-20907](#) Jamie Greene: Respect for the Office of the Presiding Officer**—That the Parliament wholeheartedly condemns what it sees as the repeated and enduring questioning and undermining of the authority and neutrality of the Presiding Officer of the Scottish Parliament by members of the Scottish Conservative and Unionist Party group; believes that what it sees as premeditated conduct brings individuals, their party and the entire Parliament into disrepute; notes calls for this conduct to be addressed through appropriate parliamentary processes and, where deemed appropriate, sanctions, and reiterates its unequivocal support for the Presiding Officer as she seeks to uphold the standards, order and running of parliamentary business in a modern democratic institution serving people across Scotland, including in the West Scotland region, in the face of what it sees as unsubstantiated and relentless accusations of conspiracy or bias.

Supported by: Kevin Stewart*, Fulton MacGregor*, Kenneth Gibson*, Audrey Nicoll*, Gillian Mackay*, Ariane Burgess*, Evelyn Tweed*, Ross Greer*, Mark Ruskell*, Bill Kidd*, Lorna Slater*, John Mason*, Stephanie Callaghan*, Marie McNair*, Colin Beattie*, Emma Harper*, Elena Whitham*, Paul McLennan*, David Torrance*, Patrick Harvie*, Clare Haughey*, Keith Brown* **R**, Beatrice Wishart*, Alasdair Allan*

Other new and altered motions and amendments

***[S6M-20919](#) Kevin Stewart: Congratulations to the Russell Anderson Foundation on its ICoTA Donation**—That the Parliament congratulates the Russell Anderson Foundation on receiving a donation of £12,000 from the Intervention and Coiled Tubing Association (ICoTA) Europe; notes that ICoTA partnered with the foundation as its Charity of the Year in 2025, raising funds in a number of ways, including raffles at technical luncheons, dedicated charity events and member contributions; understands that these funds will be used to support the foundation's in-school programmes, which provide structured physical activity, nutrition education and social development support to hundreds of young people in and around Aberdeen; thanks all at ICoTA Europe who organised fundraising and contributed their time or money over the course of the year, and wishes everyone at both ICoTA and the Russell Anderson Foundation all the very best with their endeavours.

Supported by: Bill Kidd*, Colin Beattie*, Jamie Hepburn*, David Torrance*, Annabelle Ewing*, Paul Sweeney*, Jackie Dunbar*

***[S6M-20918](#) Kevin Stewart: Aberdeen Science Centre Expands its VR Offering**—That the Parliament welcomes the news that Aberdeen Science Centre is expanding its virtual reality (VR) offering with a new workshop and birthday party experience; notes that the centre launched its VR experiences in 2025, allowing visitors to explore new digital worlds, encounter dinosaurs, travel through time and shrink in size to journey through the human body; understands that over 6,500 children and families across the north east of Scotland have been engaged with the centre's ClassVR headsets at both the centre and at community events; further understands that the four new VR experiences being offered throughout the year will focus on exploring ocean life, journeying through different animals' habitats, discovering more about famous historic moments and learning about geography and geology; believes that this is a fantastic way of engaging children in learning through the use of modern technology, and in particular in getting more children interested in STEM subjects, and hopes that these new VR experiences will be every bit as successful as the existing ones.

Supported by: Bill Kidd*, Colin Beattie*, Jamie Hepburn*, David Torrance*, Clare Haughey*, Rona Mackay*, Kenneth Gibson*, Annabelle Ewing*, Jackie Dunbar*

***[S6M-20916](#) Kevin Stewart: Aberdeen City Council and the Scottish School Food Awards**—That the Parliament congratulates Aberdeen City Council on being recognised among Scotland's top performers in school catering at the Scottish School Food Awards; notes that the Scottish School Food Awards, which were hosted in Edinburgh on 22 February 2026, brought together local authorities, chefs and suppliers from across the country to celebrate excellence in school dining, recognising achievements in sustainability, nutrition and community impact; understands that Aberdeen City Council won the Community Benefits Award for its work with the Soil Association, with judges calling the entry inspiring, well thought through and innovative; believes that this award highlights the importance of giving children healthy, nutritious meals that aid their learning; hopes the catering teams in Aberdeen are rightly proud of having their work recognised in this way, and wishes them all the best with their continued endeavours.

***[S6M-20914](#) Jeremy Balfour: Tourette Syndrome Awareness After BAFTA 2026 Awards**—That the Parliament condemns the use of derogatory and dehumanising language, including racial slurs, while recognising that the incident at the 2026 BAFTA Film Awards, in which a guest with Tourette syndrome involuntarily shouted offensive language, was the result of a symptom of a neurological condition; acknowledges that Tourette syndrome is characterised by motor and vocal tics, which, in some people, can include coprolalia, the spontaneous utterance of socially inappropriate words or phrases, and that these tics are not intentional expressions of belief or intent; expresses concern that mischaracterising such symptoms can stigmatise disabled people, particularly children and young people with Tourette syndrome, who already face anxiety, isolation and discrimination; emphasises that it is possible to be both anti-racist and disability-aware, promoting understanding of neurological differences while challenging racism, without treating these objectives as competing; calls for compassionate public discourse that discourages stigma and builds inclusive communities, and highlights the work of Tourette Scotland, which provides support, guidance, education and advocacy for families affected by Tourette syndrome across Scotland.

***[S6M-20913](#) Kevin Stewart: Abolition of the Energy Profits Levy**—That the Parliament calls on the Chancellor of the Exchequer, Rachel Reeves, to announce the abolition of the Energy Profits Levy in her Spring Statement on 3 March 2026; notes that the levy, which was introduced by the Conservative UK administration in 2022, was subsequently increased by the current Labour UK administration in the Chancellor's first Autumn Budget in 2024, and extended until 2030; further notes that the Chancellor did not take the opportunity to end the levy in the 2025 Autumn Budget, despite numerous calls for her to do so from energy industry leaders; believes that the levy is harming jobs in Aberdeen and the wider north east today as well as deterring investment in renewables projects that should be powering

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 2.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.

Official Report, Meeting of the Net Zero, Energy and Transport Committee, 27 January 2026

The Cabinet Secretary for Net Zero and Energy (Gillian Martin) has identified an error in her contribution and provided the following correction to the Official Report of 27 January 2026.

Cabinet Secretary for Net Zero and Energy

At col 6, para 6, line 3—

Original text—

When it comes to their competitors outwith the UK, the new mechanism that the UK is bringing in—the CBAM—will be phased in as the free allocations drop, which will effectively protect businesses from competition from imports that come from countries that do not have the same emissions trading function or procedure that we have in the UK.

Corrected text—

When it comes to their competitors outwith the UK, free allocations will gradually drop from when the new mechanism that the UK is bringing in—the CBAM—is implemented, which will effectively protect businesses from competition from imports that come from countries that do not have the same emissions trading function or procedure that we have in the UK.

At col 7, para 3, line 2—

Original text—

Obviously, the ETS and the CBAM are UK Government measures, although the four nations are kept in the loop by the UK Government on the direction of travel.
