followed by First Minister's Statement: COVID-19 Update

followed by Scottish Government Debate: Keeping the Lifeline - A Call to Cancel the Cut to Universal Credit

[S6M-01405](#) Shona Robison: Keeping the Lifeline - A Call to Cancel the Cut to Universal Credit—That the Parliament agrees, along with opposition parties in the UK Parliament, that the UK Government's planned reduction to universal credit should be reversed; recognises the cross-party efforts of opposition parties in the UK Parliament and the social security committees of each of the four nations' parliaments and assembly in this aim; notes Scottish Government analysis that the reduction of universal credit could reduce welfare expenditure in Scotland by £461 million a year by 2023-24 and push 60,000 people, including 20,000 children, into poverty; agrees that the inadequacy of the payment is just one of many issues with universal credit, alongside the two-child cap and the abhorrent so-called "rape clause", the five-week wait for a first payment, the benefit sanctions regime and the so-called "bedroom tax"; believes that this reflects the UK Government's uncompassionate approach to welfare, which has been challenged by opposition parties across the UK, and acknowledges Scotland's human rights-based approach to social security.

The Presiding Officer has selected the following amendment

[S6M-01405.1](#) Miles Briggs: Keeping the Lifeline - A Call to Cancel the Cut to Universal Credit—As an amendment to motion S6M-01405 in the name of Shona Robison (Keeping the Lifeline - A Call to Cancel the Cut to Universal Credit), leave out from first "agrees" to end and insert "welcomes the support that universal credit has provided to half a million people in Scotland throughout the COVID-19 pandemic; further welcomes the decision to extend the temporary £20 per week uplift for six months during the height of the pandemic, as called for by parties across the Scottish Parliament; believes that, with the removal of most restrictions, this is the right time for the uplift to be reviewed; notes that the introduction of universal credit has been a key driver of

employment and contributed to employment levels rising to record levels before the pandemic; further notes that the UK's unemployment rate has now fallen for six consecutive months; welcomes that the UK Government's Kickstart Scheme has already helped 63,000 young people into new positions; notes that UK Government spending during the pandemic has delivered an additional £14.5 billion for the Scottish Government, and calls on the Scottish Government to work constructively with the UK Government in the pursuit of a jobs-led recovery from the pandemic."

followed by Environmental Standards Scotland: Appointment of the Chief Executive

[S6M-01397](#) Michael Matheson: Environmental Standards Scotland: Appointment of the Chief Executive—That the Parliament welcomes the statutory vesting of Environmental Standards Scotland, the new environmental governance body for Scotland, which will ensure that high standards of environmental governance are maintained, and approves the Scottish Ministers' appointment of Brendan Callaghan as the first chief executive of Environmental Standards Scotland, as required by the UK Withdrawal from the European Union (Continuity) (Scotland) Act 2021, and as communicated to the Net Zero, Energy and Transport Committee by correspondence on 6 September 2021 by the Cabinet Secretary for Net Zero, Energy and Transport.

followed by Committee Announcements

followed by Business Motions

[S6M-01433](#) George Adam on behalf of the Parliamentary Bureau: Approval of SSI—That the Parliament agrees that the Conference of the Parties to the United Nations Framework Convention on Climate Change (Immunities and Privileges) (Scotland) Order 2021 [draft] be approved.

5:00 pm Decision Time

followed by Members' Business

Debate on the subject of—

[S6M-01136](#) Jamie Halcro Johnston: Ambulance Services Across Scotland—That the Parliament commends the efforts of hard-working ambulance staff over the challenging period since the beginning of the COVID-19 pandemic; recognises what it sees as the importance of an effective ambulance service to rural communities and, in particular, to those remote communities in the Highlands and Islands region; considers that issues exist around staffing and recruiting of staff across Scotland; believes that a number of performance indicators for the Scottish Ambulance Service have been missed over this period, and acknowledges the view that there is a need for an effective strategic plan to support the Service to recover as Scotland emerges from the COVID-19 pandemic.

- *...* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

Motions for Debate

***[S6M-01416](#) Sandesh Gulhane: Legal Right to Recovery**—That the Parliament believes that record drug deaths in Scotland are a humanitarian crisis; further believes that progress in the rehabilitation and treatment of addiction in Scotland has been too slow; calls for a legal right to recovery to tackle Scotland's ongoing drug deaths crisis with the urgency that it deserves; notes that the possession of class A drugs is a serious offence and should not be dealt with through warnings that seek "not criminalising" offenders; believes that the content of the Lord Advocate's recent Ministerial Statement deserves proper consultation, and calls for the Scottish Government to set aside time to debate this matter in full.

***[S6M-01415](#) Douglas Ross: Halting the COVID-19 Vaccine Certification Scheme**—That the Parliament calls on the Scottish Government not to proceed with its plans to introduce a COVID-19 vaccine certification scheme.

***[S6M-01405](#) Shona Robison: Keeping the Lifeline - A Call to Cancel the Cut to Universal Credit**—That the Parliament agrees, along with opposition parties in the UK Parliament, that the UK Government's planned reduction to universal credit should be reversed; recognises the cross-party efforts of opposition parties in the UK Parliament and the social security committees of each of the four nations' parliaments and assembly in this aim; notes Scottish Government analysis that the reduction of universal credit could reduce welfare expenditure in Scotland by £461 million a year by 2023-24 and push 60,000 people, including 20,000 children, into poverty; agrees that the inadequacy of the payment is just one of many issues with universal credit, alongside the two-child cap and the abhorrent so-called "rape clause", the five-week wait for a first payment, the benefit sanctions regime and the so-called "bedroom tax"; believes that this reflects the UK Government's uncompassionate approach to welfare, which has been challenged by opposition parties across the UK, and acknowledges Scotland's human rights-based approach to social security.

Supported by: Ben Macpherson*

***[S6M-01405.1](#) Miles Briggs: Keeping the Lifeline - A Call to Cancel the Cut to Universal Credit**—As an amendment to motion S6M-01405 in the name of Shona Robison (Keeping the Lifeline - A Call to Cancel the Cut to Universal Credit), leave out from first "agrees" to end and insert "welcomes the support that universal credit has provided to half a million people in Scotland

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
