[S6M-02127](#) Kate Forbes: Celebrating the First Anniversary of the Scottish National Investment Bank—That the Parliament notes the impact that the Scottish National Investment Bank, the first mission-based investment bank in the UK, has made in its first year since launch in November 2020; supports the progress made by the bank through a wide range of investments in its first year; recognises the important role that the bank has in delivering a just transition to a net-zero economy; notes the need for innovative finance to achieve Scotland's goals on climate targets, housing and demographic challenges, and notes that the bank will continue to strengthen its role through investing in Scottish business, projects and communities and delivering positive environmental and social impacts, and positive financial returns for the people of Scotland, for many years to come.

The Presiding Officer has selected the following amendments

[S6M-02127.1](#) Liz Smith: Celebrating the First Anniversary of the Scottish National Investment Bank—As an amendment to motion S6M-02127 in the name of Kate Forbes (Celebrating the First Anniversary of the Scottish National Investment Bank), insert at end ", and, to that end, wants to see much greater clarity from the Scottish Government over the role of the bank, how its achievements will be measured, including how it will attract private sector investment, as well as make best use of taxpayers' funds, and how it will support small and medium-sized enterprises, which are the bedrock of the economy."

[S6M-02127.2](#) Daniel Johnson: Celebrating the First Anniversary of the Scottish National Investment Bank—As an amendment to motion S6M-02127 in the name of Kate Forbes (Celebrating the First Anniversary of the Scottish National Investment Bank), leave out from second "notes" to end and insert "considers that the inadequate progress made by the bank in creating green jobs for the future has hindered Scotland's wider economic recovery from the impact of the pandemic and the transition to net zero; believes that the bank will be unable to make the socio-economic impact it was intended to achieve due to insufficient funding; further believes that other enterprise agencies have also faced real-term cuts at a time that they should be focussing on Scotland's economic recovery, and calls on the Scottish Government to repurpose Scottish Enterprise as a business recovery agency to work in partnership with other regional enterprise agencies in order to grow Scotland's economy."

followed by Ministerial Statement: COP26 Outcomes

followed by Urgent Question: Meghan Gallacher - To ask the Scottish Government what support is being provided to NHS Lanarkshire in light of reports that Wishaw Hospital A&E Department was at full capacity at the weekend with patients being transferred to Monklands Hospital.
