[S6M-02267](#) Shona Robison: International Day for the Elimination of Violence Against Women—That the Parliament marks the International Day for the Elimination of Violence Against Women and the beginning of the 16 Days of Activism against Gender-Based Violence, which this year reaches its 30th anniversary; notes that the 2021 campaign focuses on the dual themes of Femicide and Ending Domestic Abuse in the World of Work; reaffirms its commitment to continue to work collaboratively from constituency, to committee, to chamber, to eradicate gender-based violence; agrees that only by prioritising prevention, can there be an end to violence against women and girls; gives thanks to the organisations and individuals that support women and children affected by gender-based violence, including the Women's Aid and Rape Crisis networks; notes that gender-based violence, which includes, but is not limited to, domestic abuse, rape and sexual violence, is a function of gender inequality and an abuse of male power and privilege; recognises that there is an increasing level of online abuse and the disproportionate impact this has on women and girls; agrees that in order to effectively tackle gender-based violence, society must challenge the outdated gender stereotypes and attitudes towards women and girls that enable it to continue; further agrees that it is clear that women and girls should no longer have to modify their everyday behaviour in order to stay safe; unites in its condemnation of violence against women and girls in all of its forms, in Scotland and around the world, on which it speaks with one voice; mourns all the women around the world who have been killed by men this year, including Sabina Nessa, Bibaa Hendry, Nicole Smallman, and Sarah Everard, whose murders showed how fragile the veneer of safety for women can be, and notes, as a mark of respect, the one-minute silence held in their honour.

***S6M-02247 Liam McArthur: Welcoming Scotland's New MSYPs—**That the Parliament welcomes the election of the new Members of the Scottish Youth Parliament for its 2021-23 term; recognises the Youth Parliament as the democratically elected voice of Scotland's young people since 1999; congratulates Orkney's new MSYPs, Kaydence Drayak and Zachary Shiner, alongside their over 160 fellow MSYPs who represent constituencies and various national voluntary organisations (NVOs); notes that over 700 young people expressed an interest in standing to become MSYPs in the 2021 election, which was open to all 12-to 25-year-olds; believes that the Youth Parliament has a hugely positive impact on the lives of young people and is a world-leading example of youth participation and engagement in decision-making; encourages MSPs to work closely with MSYPs to ensure that Scotland is a nation that actively listens to and values the meaningful participation of its young people; thanks the hard-working youth services and NVOs staff across the country who support young people, including MSYPs, in accessing opportunities and life-changing support all-year round; further commends the staff of the Youth Parliament on delivering another successful election; acknowledges the support of the Youth Parliament's various partners and stakeholders, and wishes it all the very best of success in its new term.

***[S6M-02244](#) Miles Briggs: Charity Lottery £50 Million Annual Sales Limit**—That the Parliament acknowledges what it sees as the success of the UK Government's 2020 charity lottery reforms, with the annual sales limits raised to £50 million and the per draw limit increased to £5 million; considers these to be important reforms that have freed up millions of pounds for good causes across Scotland, England and Wales; believes that this has been especially valuable during the COVID-19 pandemic; understands that charity lotteries still face a heavy administrative and bureaucratic burden, hindering their ability to raise as much as possible for good causes; believes that a proposal for further reform to introduce a £100 million limit enjoys cross-party support among MSPs and MPs; understands that this was the recommendation of the Gambling Commission and the UK Government's preferred option during consultation on charity lottery reform; believes that raising the annual sales limit to this amount would help free up even more funding for good causes, and calls on the UK Government to proceed with this next stage of reform as soon as possible to futureproof the fundraising capability of the sector.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
