[S6M-02164](#) **Stuart McMillan: Scottish History in Schools**—That the Parliament notes what it sees as the importance of Scotland's history being taught in schools; believes that learning about

local history helps pupils engage with their area's heritage and could empower them to explore their family's history; notes the view that this work should include aspects of Scotland's past that its people are not proud of, particularly in relation to its role in the transatlantic slave trade; believes that pupils in the Greenock and Inverclyde constituency could learn about the Radical War of 1820, which saw the final battle take place in Greenock and left nine people killed and many wounded, aged eight to 65; appreciates the role of libraries and museums in assisting schools and families in exploring their history; welcomes reports that many teachers already carry out this work, aiming to ensure that lessons suit their pupils; acknowledges that learning about the history of other nations is important, but notes the view that this should be an aside to learning about Scotland's own history; commends the efforts of community groups, such as the 1820 Society and the Society of William Wallace, for helping keep stories about the nation's history alive, and notes calls encouraging MSPs to engage with community groups in their efforts to learn about and promote local history in their constituencies and regions.

### Motions for Debate

#### \*[S6M-02839](#) Meghan Gallacher: Education Failures and Guaranteeing the 2022 Exam Diet—

That the Parliament regrets that education has never been the First Minister Nicola Sturgeon's number one priority, and expresses frustration at the widening attainment gap and the failure to guarantee that the 2022 school examination diet will go ahead in full.

\*[S6M-02838](#) Miles Briggs: Protecting Local Government Funding in Scotland—That the Parliament notes the calls made by COSLA and all council group leaders for the Scottish Government to deliver a much better financial settlement for the next financial year; further notes that COSLA states that the funding cut to the core revenue budget is £371 million in real terms, and calls on the Scottish Government to commit to fair funding for local councils by delivering a new financial framework, which will ensure that councils automatically receive a set percentage of the Scottish Government budget each year.

### Members' Business motions that have not achieved cross party support

\*[S6M-02798](#) Rona Mackay: Support for the 70/30 Campaign to Reduce ACEs by 2030—That the Parliament acknowledges what it sees as the devastation caused to lives through adverse childhood experiences (ACEs); recognises the aim of the Wave Trust 70/30 Campaign to eradicate poverty and reduce child abuse and neglect and other ACEs by at least 70% by 2030; notes the calls on all political parties to work collegiately, through cross-portfolio action, to achieve this; understands that 106 MSPs and 500 MPs have signed the 70/30 Campaign pledge to create a better future for everyone, including for people in the Strathkelvin and Bearsden constituency, and notes the calls for all elected members to do so.

### Other new and altered motions and amendments

\*[S6M-02717](#) Russell Findlay: Charity Fundraising by 10-year-old Jacob Williams—That the Parliament congratulates Jacob Williams, who is aged 10 and from Paisley, on raising £2,700 for the Beatson Cancer Charity after selflessly asking his friends and family not to give him any presents for his birthday, but to instead donate to the charity; understands that Jacob's father,

Nick, who passed away from skin cancer in August 2021, received care at the Beatson West of Scotland Cancer Centre; commends Jacob's kindness and generosity; notes that Jacob previously raised money for the Accord Hospice in Paisley, where his father spent some time, and recognises the important work of both the Accord Hospice and Beatson Cancer Charity in providing support for those diagnosed with cancer and their families.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
