Debate on the subject of—

[S6M-03777](#) Bob Doris: MND Scotland Report, No Time to Lose: Addressing the Housing Needs of People with MND—That the Parliament welcomes the MND Scotland report, *No time to lose: Addressing the housing needs of people with MND*, which outlines the challenges that people with MND, including those in the Glasgow Maryhill and Springburn constituency, face when trying to obtain the accessible home that they need through adaptations or an alternative accessible property; understands that MND is a rapidly progressing terminal neurological disease, which can cause those with the illness to lose the ability to walk, talk, eat, drink or breathe unaided, with the average life expectancy being just 18 months from diagnosis; acknowledges that many waiting lists for adaptations and alternative accessible homes are reportedly too long for people with MND with, it understands, some longer than the average life expectancy with the illness; believes that this can leave people with MND unable to spend the precious time that they have left safely and with the dignity that everyone is entitled to, and that, for some, support never comes in time; understands that speed in service provision is critical for people with MND, and notes the expectation that the Scottish Government and local authorities will give meaningful and early consideration to implementing the report's various recommendations, which include fast-tracking people with MND for adaptations and accessible homes, a proactive, not reactive, approach to adaptations, establishing a national definition of accessible housing, and building more wheelchair accessible housing across Scotland.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
