The AGM took place at around 6.30pm, unfortunately after the speakers and content of the full meeting had to be cancelled due to Parliamentary business over-running.

Ruth Maguire MSP noted that she would be keen to continue as convener and, though she was not able to attend in person, Claudia Beamish MSP was keen to continue in her role as Deputy Convener. Both were subsequently re-elected.

There was a discussion about the timing of future meetings, to avoid clashing with Parliament business.

There was a discussion about future issues the Cross Party Group might discuss.

It was agreed that the speakers and topics that had been scheduled for the cancelled meeting would be discussed at the December meeting.

The meeting was brought to a close.
