Imaginative writing

Imagine what it would feel like to work here as a MSP

This could be your new office! This photo shows an office of a MSP.

It is the day after an election, and you have been chosen to be a Member of the Scottish Parliament! Well done - you won the election!

Your new place of work is going to be the Scottish Parliament building in Edinburgh.

Write a diary entry about your first visit to the building.

Start it "Dear Diary,

Today I started work as a Member of the Scottish Parliament..."
