Attendance at CPA conferences, seminars and CPA Scotland Branch outward visits

Background

At the CPA Scotland Branch Annual General Meeting which was held on Wednesday 22 June 2011, the Secretary was asked to provide a breakdown of attendance in relation to CPA outward visits by Members of the Branch Executive Committee during Session 3.

This information was requested to enable the BEC to ascertain if the perception that BEC Members were self-selecting for overseas visits is accurate.

Relevant information for perusal is attached at Annex A.
