BRITISH ISLANDS AND MEDITERRANEAN REGION ANNUAL CONFERENCE:
10-14 JUNE 2012

1. At the last meeting of the Branch Executive Committee (BEC), it was agreed that the Conference theme would be “Making Parliaments Relevant”. It was further agreed that a plenary session about recent world-wide political change should be included.

2. The Secretary was asked to reshape the programme and identify options for appropriate expert, high profile speakers. A copy of the revised draft programme is attached at Annex A and a list of possible speakers and profiles is also attached at Annex B.

3. Members of the BEC are invited to:
   - consider the revised draft programme and provide further comments.
   - discuss and agree speakers for each session that we can approach to participate after the meeting.
