### 1. The Register of Members Interests

[The Interests of Members of the Scottish Parliament Act 2006](#) (‘the Act’) requires a Member to register any registrable interests or to declare that the Member has no such interest. You must register any interest by lodging this written statement with the Clerk. Written statements lodged by you form the basis of your entry in the Register of Interests of Members of the Scottish Parliament (‘the Register’).

Under section 11(3) of the Act, the Register must be made available for public inspection. It will be available on the Scottish Parliament’s website.

**Please take the time to familiarise yourself with the requirements of the Act and the Code of Conduct. Any Member who takes part in any proceedings of the Parliament without having complied with, or in contravention of, sections 3, 5, 6, 8A(4) and (5), 13, 14, or a measure taken under sections 15 or 16 of the Act is guilty of a criminal offence. The maximum penalty for an offence under this Act, as specified in section 17 of the Act, is a fine not exceeding level 5 on the standard scale.**

Failure to comply with the requirements of the Act may also (in terms of sections 15, 16 and 17A) result in parliamentary sanctions being applied

The Code of Conduct provides detailed information on how to comply with the Act, including the criteria for registration under each of the categories of registrable interest (Section 2 of the Code); the requirement to update your register throughout the Parliamentary session (Section 1 of the Code); and how to declare your interests in advance of taking part in Parliamentary proceedings (Section 3).

The Act, which sets out the categories of registrable interest, was amended by the Parliament in 2016. This included the addition of new requirements so that members do not have to report interests to both the Parliament and the Electoral Commission.

## **2. Registration requirements under the Act**

### Interests to be registered

The interests that require to be registered are those set out in the Schedule to the Act which you—

- (1) had at the date you were returned; or
- (2) acquired on the date on which you were returned; or
- (3) with the exception of controlled transactions, had before you were returned but no longer have, where the interest meets the prejudice test (section 3(2)) – (please note that such gifts and overseas visits which are over £1,500 (either singly or in aggregate) and for political activities but do not meet the prejudice test do not have to be registered); or
- (4) have acquired since the date you were returned.

*“Prejudice test” – an interest meets the prejudice test if, after taking into account all of the circumstances, that interest is reasonably considered to prejudice, or give the appearance of prejudicing, the ability of the member to participate in a disinterested manner in any proceedings of the Parliament.*

The Parliament has determined what information you **must** provide but you may provide additional details for your entry if you wish.

### Declaration that no registrable interests are held (section 3 of the Act)

If you have no registrable interests you are still required to make a written declaration to that effect. You can do so by completing and lodging this form.

### Late registration (section 6 of the Act)

If, after submitting your statement, you become aware of a registrable interest which was not included, you should immediately contact the Standards Clerks. The Act requires you to lodge a further written statement registering that interest within 7 days of becoming aware of it. If you have in the meantime taken part in proceedings of the Parliament, you should be aware that you may already have committed a criminal offence and could also become subject to parliamentary sanctions.

Further, if you lodge a statement 7 days or more after becoming aware of the unregistered interest you may have committed a further offence and may become subject to further parliamentary sanctions.

### **3. Completion and submission of the written statement**

The written statement form is split into 6 categories (and a section for voluntary interests) —

- Remuneration, Related Undertaking and Partnerships
- Gifts
- Loans, credit facilities, etc
- Overseas Visits
- Heritable Property
- Interest in Shares
- Voluntary

For each category of interest, the form asks you to indicate whether you have an interest in the relevant category and then goes on to set out a series of questions regarding the specific information that should be provided for that category. Any part of the form that you are required to complete has been shaded in grey.

Please go through this form, in conjunction with the Act and the Code of Conduct, and complete each grey-shaded section as appropriate before signing and dating where indicated. If there is not enough space in any section of this form additional sheets may be attached, but each sheet should be clearly marked with your name and also signed and dated.

Once you have completed this form, and any additional sheets as necessary, the document should be sent to the Standards Clerks. This form may also be completed electronically and sent to—

[standards.clerks@parliament.scot](mailto:standards.clerks@parliament.scot)

Upon receipt of the completed form, the Standards Clerks will draft a Register of Interests for each member. Once the member has approved the draft for publication, the Clerks will publish the register online.

#### **4. Who to contact for further information**

Further advice and assistance on any matter relating to this form can be obtained from the Standards Clerks by e-mail

[standards.clerks@parliament.scot](mailto:standards.clerks@parliament.scot).

Members are advised to seek advice from the Standards Clerks if they are uncertain about whether an interest is registrable, or about which category an interest should be registered in. Members may also choose to consult their own legal or other advisers. If you are in any doubt about whether or not to register an interest, the guiding principle is to err on the side of caution.

## GIFTS

**For details of what constitutes a registrable interest under the gifts category and details of exemptions to the requirement to register please refer to the schedule to the Interests Act and to the Code of Conduct, in particular Section 2.**

### Notes

1. Please note that if a member receives a number of gifts from a single source each of which is below or equal to the threshold for registration (0.5% of a member's gross salary, rounded down to the nearest £10) but which cumulatively exceed it, the gifts are registrable if the prejudice test is met.
2. Also, a member is required to register gifts from a single source received within the same calendar year if
  - each of them has a value of over £500
  - they cumulatively exceed £1,500 (or exceed £1,500 when combined with overseas visits for political activities, remuneration as expenses for political activities or a controlled transaction from the same source within the same calendar year – see Section 2 of the Code and paragraph 6A of the Schedule to Interests Act) and

they are for the member's use or benefit in connection with any political activities.

3. The following are not registrable under this category—
  - a. Support provided by a volunteer in that person's own time and free of charge
  - b. Donations towards expenses for election to the Scottish Parliament or to the UK Parliament are not registrable. However, any donations which are unspent on the election in question by the expiry of the 35th day after the election result is declared (the same timeframe that is allowed for lodging election returns) must be registered if they exceed the gifts threshold (see above at Note 1) and meet the prejudice test, or if they are over the value of £1,500 and they are for the member's use or benefit in connection with any political activities.
  - c. The costs of travel and subsistence in connection with attendance at a conference or meeting if those costs are borne in whole or in part by the organiser of the conference or by one of the other parties attending the meeting. However, if these costs are over the value of £1,500, and they are for the member's use or benefit in connection with any political activities, they are registrable.
4. [The Political Parties, Elections and Referendums Act 2000](#) (“PPERA”) requires that members accept donations over £500 for political activities

only from a permissible source (see section 54 of, and paragraphs 6 to 9 of Schedule 7 to, PPERA). If the donation is not from a permissible source it must be returned to the donor or forwarded to the Electoral Commission where the donor cannot be identified (see sections 56 and 57 of PPERA). Members are not required to register any gift or benefit which falls into the second category of gift (i.e. over £1,500 and for political activities) that is returned to the donor or forwarded to the Electoral Commission in these circumstances. Further advice can be obtained from the Electoral Commission on the permissibility of donations.

5. Members are still required to register donations returned to the donor under paragraph 6 of the schedule to the Act under the first category of gift (see Note 1 above). As outlined above, the prejudice test applies to this category of gift.

## OVERSEAS VISITS

For details of what constitutes a registrable interest under the overseas visits category and details of exemptions to the requirement to register please refer to the schedule to the Act and to the Code of Conduct, in particular Section 2, and to paragraph 7 of the schedule to the Interests Act.

### Notes

1. Overseas visits which were funded wholly by the member or the SPCB, out of the Scottish Consolidated Fund, or which were approved in advance by the SPCB, are not registrable under this category. However Members should note that committee travel outwith the UK may fall to be registered in this category. Members are advised to seek advice from the relevant committee clerk regarding prior approval by the SPCB. Members may also consult the Standards Clerks for further advice on seeking SPCB approval for certain visits overseas. Overseas visits, which were funded wholly by certain family members are only registrable under this category where the costs are over £1,500 and the visit was for political activities.
2. If the costs of the visit are from a single source and over £500, and cumulatively exceed £1,500 when aggregated with other political overseas visits, gifts to support political activities, remuneration received as expenses for political activities or controlled transactions, also from the same source and received within the same calendar year, these costs are registrable (but only if the visit is for the member's benefit in connection with the member's political activities). Members should consult Section 2 of the Code of Conduct or seek advice from the Standards Clerks if in any doubt about these provisions.

Name and Office:		
	Yes	No
(a) Have you made a visit outside the United Kingdom which meets the prejudice test?		
(b) Are the costs of the overseas visit over £1,500 (either singly or cumulatively) and if so, is it for political activities?		

If you answered yes to either (a) or (b), then please answer the following questions for each interest:

1. On or between which date(s) did the visit take place?	
--	--

<p><b>2. What was:</b></p> <p>a) the destination, and</p> <p>b) the purpose of the visit?</p>	
<p><b>3. What is the name of the person or organisation who met any of the costs of the visit?</b></p>	
<p><b>4. <p><b>5. What were the costs of the visit?</b></p>	
<p><b>6. Is there any relevant additional information that you wish to provide?</b></p>	

## **CONTROLLED TRANSACTIONS (LOANS, CREDIT FACILITIES, ETC)**

**For details of what constitutes a registrable interest under the controlled transactions category and details of exemptions to the requirement to register please refer to the schedule to the Interests Act and to Section 2 of the Code of Conduct.**

PPERA prohibits members from entering into a controlled transaction (e.g. loans or credit facilities over £500 any part of which the member intends to use in connection with political activities) unless it is with an “authorised participant” (see section 54 of, and paragraphs 4 to 8 of Schedule 7A to, PPERA). Similarly, members are prohibited from deriving any benefit from a connected transaction if any of the participants to that transaction is not an authorised participant. If the parties to a controlled transaction include an unauthorised participant, the transaction is void and any sums received by the member under it must be repaid; also criminal sanctions may ensue. Further advice can be obtained from the Electoral Commission.

### **Notes**

1. Please note that a member is required to register controlled transactions from a single source received within the same calendar year if—

- each of them has a value of over £500
- they cumulatively exceed £1,500 (or exceed £1,500 when combined with “aggregable benefits” such as overseas visits for political activities, remuneration as expenses for political activities or a gift for political activities from the same source within the same calendar year – see Section 2 of the Code and paragraph 9 of Schedule 7A to PPERA) and

at the time the member enters into the transaction the member intends to use any money or benefit obtained in consequence of the controlled transaction in connection with the member’s political activities as a member or as a member of a political party or both.

Members are only required to register with the Scottish Parliament controlled transactions entered into on or after the date of return.<sup>1</sup>

2. The following are not registrable under this category—

- payments which fall to be included in an Electoral Return for an election;
- trade credit (given on normal rather than preferential terms).

3. Members may enter into a controlled transaction which is not registrable but which is subsequently varied so as to become registrable (either singly or

---

<sup>1</sup> Some controlled transactions entered into before a member is returned may be registrable with the Electoral Commission, e.g. where the member was a member of a registered political party at the time the transaction was entered into. Please contact the Electoral Commission for further advice.

when aggregated with other aggregable benefits). For example, the terms of a loan agreement may be varied to take its value above £1,500. In such circumstances, the date on which the controlled transaction is considered to be entered into is the date on which that change takes effect. Members are required to register controlled transactions within 30 days of entering into the transaction.

<b>Name and Office:</b>		
	<b>Yes</b>	<b>No</b>
<b>A. Are you reporting a controlled transaction with an authorised participant that is a UK registered company?</b>		
<b>B. Are you reporting a controlled transaction with an authorised participant other than a company?</b>

<b>1. If you answered “yes” to A above, please provide the full company name as registered, registered address and company registration number.</b>	
<b>2. If you answered “yes” to B above, please provide the name of the authorised participant and address.<sup>2</sup></b>	
<b>3. If you answered “yes” to B above, please specify the status of the participant:</b> <b>a) Individual;</b> <b>b) Trade union;</b> <b>c) Building society;</b>	

---

<sup>2</sup> For individual authorised participants, please enter their full name and their address shown in the electoral register at the time the transaction was entered into if applicable, or if not shown on the electoral register at that time, the individual’s home address (whether in the UK or elsewhere). In the case of an individual with an anonymous entry in the electoral register, please see question 4 below. Please note that the address of individuals will not be published. For other types of participant, please enter the registered name where applicable and the registered address of the participant’s headquarters or main or principal office.

<p><b>d) Unincorporated association;</b>  <b>e) Limited liability partnership;</b>  <b>f) Political party;</b>  <b>g) Friendly/provident society.</b></p>	
<p><b>4. If you specified an individual at Q3 above, please indicate if they are an anonymously registered individual.<sup>3</sup></b></p>	
<p><b>5. Please specify whether you have you entered into:</b></p> <p style="padding-left: 40px;"><b>a) a loan or</b>  <b>b) credit facility?</b></p> <p><b>Over the value of £1,500 for use or benefit in connection with any political activities (either singly or cumulatively – see note 1).</b></p>	
<p><b>6. What is the loan reference number?<sup>4</sup></b></p>	
<p><b>7. On what date was the loan or credit facility entered into?</b></p>	
<p><b>8. What is the date on which the loan is to be repaid or the credit facility ends? Please indicate if the loan/credit facility is indefinite and, if the date of repayment or ending is to be determined under the agreement, please state how it is to be so determined.</b></p>	
<p><b>9. What is the value of the loan/maximum credit limit?</b></p>	

<sup>3</sup> Please confirm (if appropriate) that you have seen a duly issued certificate of anonymous registration. This is evidence prescribed by the Secretary of State that the individual has an anonymous entry - see para 2(3) Schedule 6A of PPERA, applied by 9(9) of Schedule 7A and the Political Donations and Regulated Transactions (Anonymous Electors) Regulations 2014, S.I.2014/1806.

<sup>4</sup> This should be a unique number assigned by the member to ensure the transaction can be identified in future. This is important should any changes or connected transactions need to be reported to the Scottish Parliament Standards Clerks to ensure the correct transaction is identified.

Please specify if the amount is unlimited. <sup>5</sup>	
10. Are you registering the loan or credit facility as a result of an aggregation? (see note 1 above)	
<p>11. Please specify the following information:</p> <p>a) Is the interest rate fixed or variable?</p> <p>b) What is the rate of interest? (or, please state that no interest is payable. Where the rate of interest is to be determined under the loan/credit facility agreement, please state how it is to be determined)</p> <p>c) Can interest be added on to the loan/credit facility?<sup>6</sup></p>	
12. Was security given on the loan or credit facility? If yes, please give details.	
<p>13. Please sign this declaration:</p> <p>I declare that to the best of my knowledge and belief that all transactions recorded in this report have been entered into with an authorised participant in accordance with Schedule 7A of the Political Parties, Elections and Referendums</p>	<p>Signed:-</p> <p>_____</p> <p>Dated:-</p> <p>_____</p>

<sup>5</sup> For a loan, this is the maximum amount of the loan. For a credit facility, this is the maximum amount that can be drawn down under the facility. The value of a transaction does not include any provision for interest to be added on to the amount outstanding rather than be repaid. Examples of values include a £100,000 cash loan or £15,000 limit on a credit card issued to you. If the transaction has no maximum value, please indicate this instead of providing a numerical value.

<sup>6</sup> Please specify how the interest on this transaction is to be calculated; if it is a fixed per cent please enter at what rate. If the interest rate is variable, please give details of how it is ascertained. First you should explain what base rate is being used (e.g. bank's base rate or the London Inter-bank Offered Rate (LIBOR)). Please also specify the variation from that base (e.g. Bank of England minus one per cent or LIBOR plus two per cent). If no interest is being charged, please indicate this.

**Act as inserted by the  
Electoral Administration Act  
2006.**

## CONNECTED TRANSACTIONS

**For details of what constitutes a registrable interest under the controlled transactions category and details of exemptions to the requirement to register please refer to paragraph 6A of the schedule to the Interests Act and to Section 2 the Code of Conduct.**

### Notes

1. A connected transaction is a type of controlled transaction, and therefore the same general rules apply. Members must register transactions over £1,500 that are connected to a loan or credit facility obtained by a member ('connected transactions'), which the member intends to be used wholly or partly for their political activities. A connected transaction is one under which a third party gives security in relation to a sum owed by the member under a loan or credit agreement which is itself a controlled transaction (or for the provision of property, services or facilities to the member for political activities). For example, where a third person gives a personal guarantee to a bank in respect of a loan or credit facility over the value of £1,500 provided to the member for political activities. Members are only required to register connected transactions entered into on or after the date of return.<sup>7</sup>

2. Subject to note 4, registrable transactions include –

- a) loans,
- b) credit facilities such as credit cards and overdrafts,
- c) securities or guarantees for a member's obligations to someone else such as the (a) lender or the giver or (b) a credit facility or a person who provides property, services or facilities for the use of benefit of the member. These are all 'connected transactions' – for example, where a third person gives a personal guarantee to a bank in respect of a loan over the value of £1,500 provided to the member for political activities.

3. A connected transaction is a type of "controlled transaction" and the same rules apply, including the PPERA rules about permissibility (see note 4 below). This written statement form is for registering connected transactions. Please see and complete the separate written statement form for categories (a) and (b) (i.e. the controlled transaction form).

4. Please note that a member is required to register connected transactions from a single source received within the same calendar year if

- each of them has a value of over £500
- they cumulatively exceed £1,500 (or exceed £1,500 when combined with other controlled transactions, overseas visits for political activities, remuneration as expenses for political activities or a gift for political activities from the same source within the same calendar year – see

---

<sup>7</sup> Some controlled transactions entered into before a member is returned may be registrable with the Electoral Commission, e.g. where the member was a member of a registered political party at the time the transaction was entered into. Please contact the Electoral Commission for further advice.

para 2.4.2 of the Code and paragraph 9 of Schedule 7A to PPERA) and

the member intends to use any money or benefit obtained in consequence of the connected transaction in connection with the member’s political activities.

5. The following are not registrable under this category—

- payments which fall to be included in an Electoral Return for an election;
- trade credit (given on normal rather than preferential terms).

6. PPERA requires that members only enter into controlled transactions over £500 for political activities from a permissible source (see section 54 of, and paragraphs 4 to 8 of Schedule 7A to, PPERA). If a party to the controlled transaction is an unauthorised participant then both the transaction and the transaction to which it is connected are void and any sums received by the member under it must be repaid (see Schedule 7A paragraph 6 of PPERA). Breaches of this provision are a criminal offence. Further advice can be obtained from the Electoral Commission.

7. Members are required to register connected transactions within 30 days of entering into the transaction. Members are only required to register with the Scottish Parliament connected transactions entered into on or after the date of return.<sup>8</sup>
