1st Marshalled List of Amendments for Stage 2

The Bill will be considered in the following order—

Sections 1 to 20  Schedule 1
Sections 21 to 66  Schedule 2
Section 67  Long Title

Amendments marked * are new (including manuscript amendments) or have been altered.

Amendment 77 was admitted in error (as it was identical to amendment 39) and so does not appear in this Marshalled List. Instead, Robin Harper now appears as a supporter of amendment 39.

**Before section 1**

**Patrick Harvie**

75  Before section 1, insert—

<PART
FOUNDING PRINCIPLE

**Founding principle**
The founding principle of this Act is to ensure that Scotland makes at least an equitable contribution, in accordance with its international responsibilities and capabilities, to the international goal of stabilising greenhouse gas concentrations in the atmosphere at a level that would prevent dangerous anthropogenic interference in the climate system.>

Stewart Stevenson

4 After section 2, insert—

<Modifying the interim target

(1) The Scottish Ministers may, by order, modify the percentage figure mentioned in section 2(1) so as to substitute a higher figure for the one for the time being mentioned there.

(2) If an appropriate Community instrument comes into force, the Scottish Ministers must, before the expiry of the appropriate period, lay a draft of a statutory instrument containing an appropriate order before the Scottish Parliament.

(3) An “appropriate order” means an order under subsection (1) modifying the percentage figure mentioned in section 2(1) so as to substitute a figure of at least 42%.

(4) An “appropriate Community instrument” means a Community instrument—

(a) which contains a commitment to reduce greenhouse gas emissions by at least 30% compared to 1990 levels by 2020; and

(b) which amends the Decision of 26 March 2009 of the European Parliament and of the Council on the effort of Member States to reduce their greenhouse gas emissions to meet the Community’s greenhouse gas emission reduction commitments up to 2020 in the manner envisaged in Article 8(2) of the Decision.

(5) The “appropriate period” means the period of 3 months beginning with the day on which the appropriate Community instrument comes into force.

(6) If a draft of an appropriate order is not laid before the expiry of the appropriate period, the Scottish Ministers must lay the draft as soon as reasonably practicable afterwards.>

93 In section 5, page 3, line 11, at end insert—

<(1A) When providing advice under subsection (1), the relevant body must also express a view as to—

(a) the extent to which the annual targets should be met by—

(i) taking action to reduce net Scottish emissions;

(ii) the use of carbon units that in accordance with regulations under section 12(2) may be credited to the net Scottish emissions account;

(b) the respective contributions towards meeting the annual targets that should be made—

(i) by the traded sector of the Scottish economy;

(ii) by the other sectors of the Scottish economy;

(c) the sectors of the Scottish economy in which there are particular opportunities for contributions to be made towards meeting the targets through reductions in emissions of greenhouse gases.

(1B) In subsection (1A)(b)(i), “traded sector” means the sectors of the Scottish economy which are covered by trading schemes within the meaning of section 44 of the 2008 Act.>

Des McNulty

50 After section 7, insert—

<Achievement of annual targets: domestic effort target>

(1) The Scottish Ministers must ensure that reductions in net Scottish emissions of greenhouse gases account for at least 80% of the reduction in the net Scottish emissions account in any target year.

(2) In this Act, the target set out in subsection (1) is known as the “domestic effort target”.

(3) The Scottish Ministers may, by order, modify the percentage figure mentioned in subsection (1) so as to substitute a higher figure for the one for the time being mentioned there.

(4) Before making an order under subsection (3) the Scottish Ministers must request advice from the relevant body.

(5) If the order under subsection (3) makes provision different from that recommended by the relevant body, the Scottish Ministers must publish a statement setting out the reasons why.

(6) A statement under subsection (5) may be published in such manner as the Scottish Ministers consider appropriate.>

Robin Harper

125 After section 7, insert—

<Achievement of annual targets: reduction in net Scottish emissions>

(1) The Scottish Ministers must ensure that reductions in net Scottish emissions of greenhouse gases account for—

(a) in the period 2010-2019, at least 80%;
(b) in the period 2020-2039, at least 90%;
(c) in the period 2040-2050, 100%,
of the reduction in the net Scottish emissions account in any target year.

(2) The Scottish Ministers may by order increase the percentage figures mentioned in
subsection (1)(a) and (b).

(3) Before making an order under subsection (5) the Scottish Ministers must seek advice
from the relevant body.

Stewart Stevenson

10 In section 12, page 6, line 20, at end insert—

<(1A) The net amount of carbon units credited to the net Scottish emissions account for a year
for which an annual target has been set (a “target year”) must not exceed the allowable
amount.

(1B) The “allowable amount” is—

(a) the amount equal to the limit, set by virtue of section (Limits on use of carbon
  units)(1), on the net amount of carbon units that may be credited to net Scottish
emissions accounts during the period which includes the target year; or

(b) where a net amount of carbon units has been credited to the net Scottish emissions
account for any other target year in that period, the balance (if any) remaining of
the amount referred to in paragraph (a).

(1C) In subsections (1A) and (1B), the “net amount of carbon units” has the meaning given
by section (Limits on use of carbon units)(3).>

Robin Harper

128 In section 12, page 6, line 22, after <units> insert <purchased by the Scottish Ministers>

Robin Harper

(c) relate to projects which benefit, and promote sustainable development in, the country in which the reduction in emissions referred to in paragraph (b) is taking place (or in which the activities giving rise to the removal of greenhouse gases referred to in that paragraph are taking place)>

After section 12

After section 12, insert—

<Restriction on use in 2010-2012 of carbon units purchased by Scottish Ministers>

(1) The Scottish Ministers may not, where subsection (2) applies, credit to the net Scottish emissions account for a year in the period 2010-2012 any carbon units purchased by them.

(2) This subsection applies provided the percentage figure mentioned in section 2(1) is 34%.

Stewart Stevenson

In section 14, page 7, line 6, at end insert—

<(2A) A draft of a statutory instrument containing the first order under subsection (1) must be laid before the Scottish Parliament no later than 1 June 2010.>

<(2B) If a draft of the first order is not laid by the date mentioned in subsection (2A), the Scottish Ministers must lay the draft as soon as reasonably practicable afterwards.>

Alison McInnes

As an amendment to amendment 11, leave out lines 4 and 5

Patrick Harvie

In making an order under subsection (1) the Scottish Ministers must have regard to the extent to which the impact of emissions on climate change may vary according to the altitude at which such emissions are made.
Section 18

Patrick Harvie

104 In section 18, page 8, line 22, at end insert—

<(  ) Regulations under subsection (1) may not include provision for any scheme whereby carbon units may be traded or offset to mitigate greenhouse gas emissions made in Scotland.>

After section 18

Stewart Stevenson

12 After section 18, insert—

<Limits on use of carbon units

(1) The Scottish Ministers must, by order, set a limit on the net amount of carbon units that may be credited to net Scottish emissions accounts during the periods mentioned in paragraphs (a) to (i) of subsection (2).

(2) The Scottish Ministers must set the limit—

(a) for the period 2010-2012, no later than 1 June 2010;
(b) for the period 2013-2017, no later than 31 December 2011;
(c) for the period 2018-2022, no later than 31 December 2016;
(d) for the period 2023-2027, no later than 31 December 2021;
(e) for the period 2028-2032, no later than 31 December 2026;
(f) for the period 2033-2037, no later than 31 December 2031;
(g) for the period 2038-2042, no later than 31 December 2036;
(h) for the period 2043-2047, no later than 31 December 2041;
(i) for the period 2048-2050, no later than 31 December 2046.

(3) The “net amount of carbon units” means C minus D, where—

“C” is the amount of carbon units credited to net Scottish emissions accounts during the period in accordance with regulations under section 12(2);

“D” is the amount of carbon units debited from net Scottish emissions accounts during the period in accordance with such regulations.

(4) An order under subsection (1) may provide that carbon units of a description specified in the order do not count towards the limit.

(5) If the limit for a period is not set by the corresponding date mentioned in paragraphs (a) to (i) of subsection (2), the Scottish Ministers must set the limit as soon as reasonably practicable afterwards.>
Des McNulty

12A  As an amendment to amendment 12, line 2, at end insert—

<(  ) The Scottish Ministers may only credit to the net Scottish emissions account for a year in the period 2013-2017 carbon units purchased by them up to a limit of 20% of the reduction in the amount of the net Scottish emissions account planned for that year.>

Alison McInnes

12AA As an amendment to amendment 12A, line 3, leave out <2013> and insert <2010>

Alison McInnes

12AB As an amendment to amendment 12A, line 3, leave out <2017> and insert <2020>

Alison McInnes

12C  As an amendment to amendment 12, line 5, at end insert—

<(  ) The limit set under subsection (1) for the period 2020-2022 and subsequent periods must be set with a view to ensuring that the net amount of carbon units credited to the net Scottish emissions account in any year is no greater than 20% of the reduction in the amount of the net Scottish emissions account planned for that year.>

Alison McInnes

12D  As an amendment to amendment 12, leave out line 7

Des McNulty

12E  As an amendment to amendment 12, line 9, leave out <2018> and insert <2020>

Alison McInnes

12F  As an amendment to amendment 12, line 25, at end insert—

<(6) The Scottish Ministers must, before laying a draft of a statutory instrument containing an order under subsection (1) before the Scottish Parliament, request advice from the relevant body.

(7) If the order under subsection (1) makes provision different from that recommended by the relevant body, the Scottish Ministers must lay before the Scottish Parliament a report explaining why.

(8) The Scottish Ministers must, as soon as reasonably practicable after laying a report before the Scottish Parliament under subsection (7), and in so far as reasonably practicable, make a statement to the Parliament relating to the report.>

Stewart Stevenson

13  After section 18, insert—
Modifying limits on use of carbon units etc.

(1) The Scottish Ministers may, by order, modify—

(a) a limit on the use of carbon units set by virtue of section (Limits on use of carbon units)(1);

(b) any date mentioned in paragraphs (a) to (i) of section (Limits on use of carbon units)(2).

(2) The Scottish Ministers may make an order under subsection (1)(a) only if they consider that it is appropriate to do so as a result of—

(a) a modification of the interim target; or

(b) another significant change to the basis on which the limit on the use of carbon units was set.

(3) The Scottish Ministers may make an order under subsection (1)(b) only if they consider it appropriate to do so.

(4) An order under subsection (1)(a) may provide that carbon units of a description specified in the order do not count towards the limit.

Stewart Stevenson

14 After section 18, insert—

Advice before setting or modifying limits on use of carbon units etc.

(1) The Scottish Ministers must, before laying a draft of a statutory instrument containing an order under section (Limits on use of carbon units)(1) or (Modifying limits on use of carbon units etc.)(1) before the Scottish Parliament, request advice from the relevant body.

(2) If the order under section (Limits on use of carbon units)(1) or (Modifying limits on use of carbon units etc.)(1) makes provision different from that recommended by the relevant body, the Scottish Ministers must publish a statement setting out the reasons why.

(3) A statement under subsection (2) may be published in such manner as the Scottish Ministers consider appropriate.

Brian Adam
Supported by: Des McNulty

59 After section 18, insert—

Public engagement strategy

(1) As soon as reasonably practicable after making an order under section 4(1) setting annual targets, the Scottish Ministers must prepare and publish a strategy (a “public engagement strategy”) setting out the proposals and policies which they intend to adopt in order to—

(a) inform individuals and communities about the targets specified in or by virtue of this Part;

(b) encourage individuals and communities to make contributions towards the meeting of those targets.
In particular, the strategy under subsection (1) must identify actions which may be taken by individuals and communities in order to contribute towards the meeting of the targets specified in or by virtue of this Part.

The second and each subsequent strategy published under this section—

(a) must contain an assessment of the progress towards implementing proposals and policies set out in earlier strategies;

(b) may make such adjustments to those proposals and policies as the Scottish Ministers consider appropriate.

A public engagement strategy may be published in such manner as the Scottish Ministers consider appropriate.

As soon as reasonably practicable after publishing a public engagement strategy, the Scottish Ministers must lay the strategy before the Scottish Parliament.
