After section 67

Fire and Rescue Authorities: Flood Risk Management Functions

Duty to prepare strategy

(1) Each relevant authority must prepare a strategy with a view to reducing overall flood risk in its area.

(2) A strategy must identify—

(a) property held by category 1 and 2 responders—

(i) for the purposes of reducing overall flood risk, or

(ii) which the authority considers could be reasonably used to reduce flood risk,

(b) the human resources available to category 1 and 2 responders with a view to reducing overall flood risk,

(c) proposals for the deployment of that property and those human resources with a view to reducing overall flood risk,

(d) how the authority proposes to co-operate with—

(i) category 1 and 2 responders, and

(ii) any other person the authority considers appropriate, with a view to reducing overall flood risk,

(c) any other steps the authority proposes to take with a view to reducing overall flood risk.

(3) In preparing a strategy, the relevant authority must have regard to—

(a) any current flood risk management plan for any flood risk management district in the relevant authority’s area,
(b) any current local flood risk management plan for any local plan district in the relevant authority’s area,

(c) such other matters as the Scottish Ministers may specify by regulations.

(4) Before finalising a strategy, a relevant authority must submit a draft of it for approval to the Scottish Ministers; and the Scottish Ministers may specify a date by which a relevant authority must submit a draft to them.

(5) A relevant authority—

(a) may from time to time, and

(b) must, when directed to do so by the Scottish Ministers,

prepare a revised strategy; and subsections (2) to (4) apply to the revised strategy as they do to the strategy.

(6) In this section—

“relevant authority” has the same meaning as in section 6 of the Fire (Scotland) Act 2005 (asp 5);

the references to category 1 and 2 responders are to be construed by reference to Schedule 1 to the Civil Contingencies Act 2004 (c.36).

135 After section 72, insert—

<Flood risk management agreement or arrangement: payment scheme>

(1) The Scottish Ministers are, by regulations, to establish a scheme for the making of payments by them to an owner or occupier of land who has entered into an agreement or arrangement with them which (in accordance with criteria set out in the scheme) meets the conditions set out in subsection (2).

(2) Those conditions are—

(a) that the natural features and characteristics of the land are to be maintained in a manner which—

(i) is intended to reduce flood risk, and

(ii) is consistent with any current flood risk management plan and any current local flood risk management plan applying to the land, and
any other conditions as the Scottish Ministers consider appropriate.

(3) For the purposes of subsection (2)(a), the maintenance of natural features and characteristics includes the alteration (including enhancement) or restoration of those features and characteristics.

(3) The scheme may include provision for the recovery of payments where an owner or occupier fails to maintain the land in a manner which (in accordance with criteria set out in the scheme) is unsatisfactory.

(4) Before making regulations under subsection (1), the Scottish Ministers must consult—

(a) SEPA,
(b) Scottish National Heritage,
(c) responsible authorities, and
(d) such other persons as they consider appropriate,
on a draft of a scheme.

(5) The Scottish Ministers must—

(a) publish a scheme established by virtue of this section, and
(b) publicise that fact,
in such manner as they consider appropriate.

After section 77

After section 77, insert—

"Flood plans"

After section 12B of the 1975 Act, insert—

"12C Flood plans: Scotland"

(1) The Scottish Ministers may by regulations made by statutory instrument provide that a flood plan is to be prepared for each reservoir in Scotland which meets criteria specified in, or otherwise determined in accordance with, the regulations.

(2) A “flood plan” is a plan setting out the action to be taken by the undertaker of the reservoir to which the plan relates in order to control or mitigate the effects of flooding likely to result from any escape of water from the reservoir.

(3) The regulations may, in particular—

(a) provide that the enforcement authority or another person—

(i) may specify the criteria, and

(ii) is to determine whether a reservoir meets the criteria,

(b) specify what is to be included in a flood plan and may, in particular, provide that a plan must include a map,

(c) specify the form in which a flood plan is to be prepared,

(d) provide that it is for the undertaker of a reservoir or other person to prepare a flood plan in relation to the reservoir,

(e) require the person preparing a flood plan to have regard to guidance issued by the enforcement authority or the Scottish Ministers,

(f) require the flood plan to be produced or submitted to the enforcement authority by such time as—

(i) the regulations specify, or
(ii) the authority or Scottish Ministers may direct,

(g) make provision about the approval of flood plans,

(h) make provision for the review and updating of flood plans,

(i) provide for a register of flood plans to be established and maintained,

(j) make provision for the publication, or distribution of copies, of—

   (i) a list of reservoirs in relation to which a flood plan must be prepared by virtue of the regulations,

   (ii) flood plans, and

   (iii) reports,

(k) make provision in connection with the testing of flood plans,

(l) require the undertaker of a reservoir to take action set out in the flood plan relating to the reservoir in the event of an emergency,

(m) provide that the enforcement authority may, in circumstances specified in the regulations, do anything that another person is required to do under the regulations and may recover the costs of doing so from that person,

(n) confer powers of entry on the enforcement authority in connection with its functions under the regulations,

(o) make provision in connection with paragraphs (m) and (n) amending this Act (other than this section) or applying this Act with modifications,

(p) create offences,

(q) provide that any offence created is triable—

   (i) only summarily, or

   (ii) either summarily or on indictment,

(r) provide for any offence created which is triable only summarily to be punishable on conviction by a fine not exceeding level 5 on the standard scale,

(s) provide for any offence created which is triable either summarily or on indictment to be punishable—

   (i) on summary conviction, by a fine nor exceeding the statutory maximum,

   (ii) on conviction on indictment, by a fine.

(4) Before making regulations under subsection (1), the Scottish Ministers must consult—

(a) SEPA,

(b) undertakers of reservoirs for which they consider a flood plan will require to be prepared under the regulations,

(c) the Institution of Civil Engineers, and

(d) such other persons as they consider appropriate.
(5) The power to make regulations under subsection (1) may be exercised so as to make different provision for different purposes.

(6) A statutory instrument made under subsection (1) is not to be made unless a draft of the instrument has been laid before, and approved by resolution of, the Scottish Parliament.”.
