Dear David,

Public Petitions Committee Inquiry into Child Sexual Exploitation.

Thank you for your letter of 19 June regarding the Committee’s consideration of the Government Response to the Committee’s Report into tackling Child Sexual Exploitation in Scotland.

The expert group that was formed has taken account of the Committee’s Report and are in the process of developing a Strategic National Action Plan to tackle Child Sexual Exploitation. Conversations between officials are taking place to discuss the recommendations made in your recent letter and I will write to the Committee with a copy of the Action Plan and a further update at the end of the Summer.

I hope that you find this further information helpful.

AILEEN CAMPBELL
