

Planning (Scotland) Bill – Printing changes to the Bill As Amended at Stage 2 (SP Bill 23A) Session 5, 2018

Printing changes are changes to the text of a Bill for which amendments are not considered necessary, or which, relating to non-legislative text, cannot be made by amendment. Printing changes will not be made that would alter the legal effect of the Bill. Clerks are responsible for making a judgement in each case as to whether a printing change is appropriate. Further explanation of printing changes can be found in the [Guidance on Public Bills](#), paragraphs 4.45-4.47.

This document outlines the printing changes that have been made in preparing the Planning (Scotland) Bill As Amended at Stage 2.

Section/ Schedule	Page	Line	Printing change made and explanation
A1	1	2	Section added by amendment 5. New section constitutes a new Part, so placed before Part 1, rather than implemented in the order shown in the 1st Marshalled List.
1	2	19 and 20	Section 1(2B)(b), inserted by amendment 104, was styled as “after paragraph (b)” and to insert new paragraph (c) into section 3A(3) of the 1997 Act. Section 1(2A)(b), inserted by amendment 30, already inserts a paragraph (c) into section 3A(3) of the 1997 Act. Section 1(2B)(b) has, therefore, been changed so that the inserted paragraph is numbered (d) and the marker is “after paragraph (c)”.
1	3	4	The inserted subsection re-numbered (3B), having been shown as (3A) in amendment 160. Re-numbered as several agreed amendments each inserted a new subsection (3A) into section 3A of the 1997 Act.

1	4	10	Cross-reference to subsection (3A) in inserted subsection (10A), inserted by amendment 169, changed to (3C).
1	4	19	“and” removed from the end of inserted subsection (10B)(f) as it also appears after the penultimate paragraph (g) of the subsection.
1	4	34 and 36	Reference (as it appeared in amendment 187) to section 3A(3A) changed to 3A(). Amendment 187 was referencing provisions in amendment 83 which was not agreed to, therefore the reference is empty.
1	5	35 and 36	Subsection (6A), inserted by amendment 219, was styled as “After section 3A” and to insert new section 3AA into the 1997 Act in order to indicate the location within the 1997 Act where the provision would appear. Section 1(6) of the Bill as Introduced already inserts a section 3AA into the 1997 Act. Subsection (6A) therefore changed so that the inserted section is 3AB and the marker is “After section 3AA”.

1B	9	3 and 4	Subsection (2) of section 1B, inserted by amendment 188, was styled as "After section 3C" and to insert new section 3CA in order to indicate the location within the 1997 Act where the provision would appear. 3	12 and 13	Page 12 line 38 and page 13 line 9	The inserted subsections re-numbered (2C) and (2D) and the cross-reference in (2D) changed, having been shown as (2A) and (2B) in amendment 222. Re-numbered as several agreed amendments each inserted a new paragraph (ca) into section 15(5) of the 1997 Act. Cross-reference on line 37 changed from (ca) to (cf) to match change at line 26.
3	14	38	Reference (as it appeared in amendment 192) to section 3AG(4) removed. Amendment 192 was referencing provisions in amendment 116 which was not agreed to, therefore the reference is empty.
3	16	37	The inserted subsection re-numbered (2B), having been shown as (2A) in amendment 198. Re-numbered as several agreed amendments each inserted a new subsection (2A) into section 16A of the 1997 Act (to be inserted by section 3(4) of the Bill). This new subsection placed to give logical flow to provisions inserted in the 1997 Act, having been placed in a different order in the 1st Marshalled List. Cross-reference in subsection (2)(ab)(i) on line 24 to this subsection also changed.
3	19	1	New section re-numbered 16C, having been shown as 16B in amendment 227 in order to indicate the location within the 1997 Act where the provision would appear. Amendment 201, also inserting a section 16B, had previously been agreed to.

As this reference is to section 40A of the 1997 Act, the subsection reference has been changed to (7BA). Please also see notes on sections 14G, 16A, 16D and Schedule 1 Part 4.
14C	45	10	Section 14C, inserted by amendment 306, had no title. This has now been included, using the same title as the italic cross-heading included in amendment 306.
14G	47	16 and 17	Section 14G(2), inserted by amendment 323, was styled as “After section 41” and to insert new section 41A into the 1997 Act in order to indicate the location within the 1997 Act where the provision would appear.
