23 March 2021

Dear Paul,

**Renewable Energy, Energy Efficiency and Motor Fuel Emissions  
(Miscellaneous Amendments) (EU Exit) Regulations 2021**

At its meeting on 23 March, the Economy, Energy and Fair Work Committee considered the proposal by the Scottish Government to consent to the UK Government legislating using the powers under the European Union (Withdrawal) Act 2018.

The Committee agreed that it is content with the Scottish Ministers' proposal to consent to the provisions set out in the notification, in relation to the Renewable Energy, Energy Efficiency and Motor Fuel Emissions (Miscellaneous Amendments) (EU Exit) Regulations 2021, being included in a UK SI.

Kind regards

Gordon Lindhurst MSP  
Convener
