Dear Chris,

Climate Change (Emissions Reduction Targets) (Scotland) Bill

Many thanks for your letter and for your kind words upon my appointment as Convener of the Environment, Climate Change and Land Reform Committee.

In relation to the Climate Change (Emissions Reduction Targets) (Scotland) Bill, the Committee has agreed the themes of each of the meetings it intends to hold on the Bill and will discuss the international context of the Bill on 23 October 2018. This will be focused on solutions and how other countries have addressed the challenges and opportunities arising from the commitments in the Paris Agreement.

Your suggestions as to who the Committee should hear from as part of this process were discussed and I thank you for getting in touch.

Should you wish to provide anything further by way of written evidence to the Committee, please contact the Clerks to the Committee.

Yours sincerely,

Gillian Martin
Convener
Environment, Climate Change and Land Reform Committee
