Dear Gillian,

THE FLUORINATED GREENHOUSE GAS AND OZONE DEPLETING SUBSTANCES EU EXIT REGULATIONS

I am writing in relation to the protocol on obtaining the approval of the Scottish Parliament to the exercise of powers by UK Ministers under the European Union (Withdrawal) Act 2018 in relation to proposals within the legislative competence of the Scottish Parliament.

As you know, the Cabinet Secretary for Government Business and Constitutional Relations wrote to the Conveners of the Finance & Constitution and Delegated Powers and Legislative Reform Committees on 11 September setting out the Scottish Government’s views on EU withdrawal. That letter also said that we must respond to the UK Government’s preparations for a No-Deal scenario as best we can, despite the inevitable widespread damage and disruption that would cause. It is our unwelcome responsibility to ensure that devolved law continues to function on and after EU withdrawal.

I attach a Notification of Intention to Consent which sets out the details of the UK SI which the UK Government propose to make and the reasons why I am content that Scottish devolved matters are to be included in this UK SI. Please note, we are yet to have sight of the final SIs and they are not available in the public domain at this stage. We will, in accordance with the protocol, advise you when the final SIs are laid and advise you as to whether the final SIs are in keeping with the terms of these notifications.

The UK Government intends to lay this SI on 14 December, therefore I request that you report back to me by 12 December.

I am copying this letter to the Convener of the Delegated Powers and Law Reform Committee.

Yours,

ROSEANNA CUNNINGHAM
