WHAT IS YOUR EXPERIENCE OF BEING **DESTITUTE**?

I am a refugee here and came to Glasgow from London. Here, we have been helped by various organisations. The hardest thing for us here is that transport is very expensive.

WHERE DID YOU STAY?

I live in Glasgow.

WHAT DID YOU EAT?

We eat halal food but I can’t get this food here. I therefore only eat vegetables because I am a Muslim.

HOW DID YOU TRAVEL?

If I had money, I would take the bus but, [illegible], I am forced to walk and that is much harder.

WHO HELPED YOU WITH HEALTHCARE?

Here, in this place, Central & West Integration
Also, The [unclear] Centre
Also, Garnethill Multicultural Centre
Also, the Red Cross

WHO HELPED YOU WITH LEGAL ADVICE?

WHO ELSE HELPED YOU?

No one other than the above

ANY OTHER COMMENTS?

The lawyers here in Glasgow are not cooperative. I feel like I’m in front of a magistrate with no lawyer to defend me and that is very bad.
I die every day when the postman comes as I am waiting for a decision from the police. We will be fine after this letter [illegible].
