Dear Joan

The Scottish Government consulted on a draft Culture Strategy for Scotland from Wednesday 27th June until Wednesday 19th September 2018. The draft strategy was shaped by an extensive engagement phase during 2017, involving artists and creative producers, organisations and communities across Scotland. Almost 220 responses were received to the public consultation, which have informed the final strategy.

Work is progressing to complete the final version of the strategy, including ongoing engagement with key stakeholders. The Scottish Government intends to publish the final strategy later in 2019.

*Kind regards
Fiona*
