11 June 2018

Dear Mr Pitts,

Thank you to you and Mr Hain for the evidence provided on the STV Strategic Review on 7 June. As you will be aware from the meeting, the Committee continues to have concerns about the outcomes from the Strategic Review and as a consequence intends to take further evidence on this issue.

At the meeting, you stated that the report by DMA Media Consultants formed a significant element of the rationale resulting in the outcomes proposed by the Strategic Review. You stated that you would “consider” providing the report to the Committee. Given the centrality of this report to the Strategic Review outcomes, and in order to inform further evidence taking on the Strategic Review, the Committee requests that you provide this report to the Committee as a matter of urgency.

Yours Sincerely

Joan McAlpine MSP
Convener
Culture, Tourism, Europe and External Relations Committee
