Dear Mr Pitts,

I refer to STV's strategic review, which the Committee considered at its meeting on Thursday, 28<sup>th</sup> June 2018.

The Committee took evidence on STV's strategic review from two panels of witnesses at this meeting: the NUJ and BECTU (panel 1); and Ofcom (panel 2). A copy of the Official Report for this meeting has been published [online](#).

The Committee considers it is imperative that STV engages meaningfully with its staff on the strategic review. The Committee will therefore continue to monitor the strategic review's implementation.

The Committee is also interested in Ofcom's regulatory role in relation to the proposals that are outlined in the strategic review. I have therefore written to Ofcom on behalf of the Committee and I have enclosed a copy of this correspondence for your information.

Yours Sincerely

Joan McAlpine MSP
