Dear Mr Doncaster,

SPFL statistics and report on the extent of sectarianism at football

I write on behalf of the Justice Committee regarding the above and to add to the calls for the SPFL and the SFA to agree to publish the report on sectarianism at football.

This was referred to earlier this week in the Scottish Parliament and the Committee believes that transparency on this matter is essential.

You will be aware that the Justice Committee has undertaken a significant amount of work in recent years on the problem of sectarianism at football, including consideration of legislation in this area.

The Committee members therefore request that data held by the SPFL and SFA on this matter, and any recent report, is published. I look forward to the consideration that I understand your board will be giving to this request.

Finally, for information, I confirm that both the Chief Executive of the SFA and the Cabinet Secretary for Justice will receive a copy of this letter.

Best wishes,

Margaret Mitchell MSP
Convener, Justice Committee
