Dear Edward,

I am writing to you as a courtesy in order to inform you of my intention to bring forward a consultation on a Members’ Bill to tackle the issue of Livestock Worrying.

This is an issue which I feel passionately about, and one which many across both agricultural and rural Scotland have raised concerns over.

Please accept this as formal notification as the Rural Economy and Connectivity Committee will play a vital role in the scrutiny of this proposed new legislation.

If you require any further information or would like the opportunity to discuss any aspect of this issue with me then do not hesitate to get in touch.

Yours sincerely,

Emma Harper MSP
