Dear Jeanne

Scrutiny of social security regulations

Thank you for your letter of 15 March about the draft regulations for early years assistance and funeral expense assistance.

The Committee considered the letter at its meeting on 22 March in the context of its work programme. The Committee notes the suggestion that you would draw on the expertise of Scottish members of the UK Social Security Advisory Committee. The Committee agrees with this suggestion.

In addition, the Committee agreed that it would take evidence on the draft BSG regulations to feed in to your consultation.

The Committee looks forward to sight of the draft regulations.

Yours sincerely

**CLARE ADAMSON MSP
CONVENER**
