Tuesday 11 March 2025

[The Convener opened the meeting at 08:47]

Decision on Taking Business in Private

The Convener (Edward Mountain): Good morning, and welcome to the 10th meeting in 2025 of the Net Zero, Energy and Transport Committee. The first item on the agenda this morning is a decision on whether to take item 3 in private. Item 3 is consideration of the committee's work programme. Do we agree to take item 3 in private?

Members *indicated agreement.*

Subordinate Legislation

Environmental Protection (Disposal of Polychlorinated Biphenyls and other Dangerous Substances) (Scotland) Amendment Regulations 2025 (SSI 2025/42)

08:47

The Convener: Agenda item 2 is consideration of a negative Scottish statutory instrument—the Environmental Protection (Disposal of Polychlorinated Biphenyls and other Dangerous Substances) (Scotland) Amendment Regulations 2025.

The instrument is laid under the negative procedure, which means that it will come into force unless the Parliament agrees to a motion to annul it. No motion to annul has been lodged. The Delegated Powers and Law Reform Committee has made no comment on the instrument.

As members have no comments on the instrument, I invite the committee to agree that it does not wish to make any recommendations in relation to the instrument. Are we agreed?

Members *indicated agreement.*

The Convener: Thank you. We will now move into private session.

08:48

Meeting continued in private until 12:31.

This is the final edition of the *Official Report* of this meeting. It is part of the Scottish Parliament *Official Report* archive and has been sent for legal deposit.
