Decision on Taking Business in Private

The Convener (Keith Brown): Good afternoon. We have been asked to take agenda item 2, which is the committee's work programme, in private. That is not normal practice, but any topics that we agree to consider will be published, so everyone will get to know about them anyway. I am not particularly fussed either way, but there is a recommendation that we should take the item in private. Do members agree to do that?

Members *indicated agreement.*
